## 1 EXECUTIVE SUMMARY

Andrew Cummins and I were appointed joint and several liquidators of Parallel Power Pty Ltd (“the Company”) by a resolution of its members passed at a duly convened member’s meeting held on 7 February 2024 pursuant to Section 491 of the Corporations Act 2001 (“the Act”).

This report has been prepared pursuant to Insolvency Practice Rule 70-30 and Section 497 of the Act. You have received this report because we are aware that you may have a creditor claim and/or the books and records of the Company identified you as a creditor.

Our investigations into the Company’s affairs and the conduct of its officers to date are preliminary and a more detailed report will be provided to creditors within three months. Our findings, including any offences identified, will also be reported to the ASIC in due course.

We provide herein a brief overview of the Company’s affairs as presently known to us at this time.

The Company was incorporated on 15 April 2010 and operated as electrical contractors. The Company was not trading at the time of our appointment. We have been advised the Company operated from leased premises in Botany, NSW. A search of the Australian Securities and Investments Commission (“ASIC”) database discloses Mr Robert Moore and Mr David Stewart as the Directors of the Company.

We have received a Report on Company Affairs and Property (“ROCAP”) completed by Mr Moore. A copy of this ROCAP will shortly be lodged with the ASIC. A high-level summary of the contents of the ROCAP is as follows:

- ▶ The ROCAP discloses assets totalling \$27K which includes motor vehicles, tools and cash at bank;
- ▶ Outstanding employment liabilities of \$55K and primarily representing outstanding superannuation.
- ▶ In addition, related employees are owed circa \$33K outstanding superannuation.
- ▶ Other unsecured creditors are owed circa \$76K.

In addition to the ROCAP, we have been provided with books and records of the Company including access a Xero management accounting system, Financial Statements and statutory returns for the financial years ended 2020, 2021 and 2022.

Our initial observation is that the financial information contained in the ROCAP appears to be at odds with the information contained in the Company books and records.

We will continue with our investigations into the Company’s affairs and the conduct of its officers. Any return to creditors will be subject to voidable recoveries that can be pursued and identified. It is too early to determine if any voidable recoveries can be pursued in the Liquidation and/or what recoveries may result from the same. In any event, we are required to investigate the Company’s affairs and the conduct of its officers and report our findings to ASIC in due course.

In the interim, if any creditors have information relevant to the Liquidation, they are encouraged to contact our office without delay, such that it may assist our investigations and/or improve the prospect of recovery for creditors.

## **2 LEGAL PROCEEDINGS**

Pursuant to Section 500 of the Act, our appointment as Liquidators automatically stays any current legal proceedings against the Company. Creditors cannot commence or continue proceedings against the Company without our written consent or leave of the Court.

We are not aware of the Company being involved in any legal proceedings.

## **3 EFFECT ON CREDITORS**

Creditors should be aware that they are subject to certain restrictions with respect to their claims when a Company is being wound up. We provide a summary of the effect on creditors:

### **3.1 TRADE SUPPLIERS**

All claims against the Company in respect of goods and/or services provided to the Company prior to our appointment are effectively frozen as at the date of our appointment.

We note that the Company ceased trading prior to our appointment, and we will not accept responsibility or any liability in respect of any goods or services provided after the date of our appointment unless express written authorisation has been provided.

### **3.2 LANDLORDS/LESSORS**

Whilst the Company is in Liquidation, a moratorium is imposed on all debts outstanding as at the date of our appointment. This extends to amounts outstanding to equipment lessors and landlords of any premises leased by the Company.

We are not aware of any outstanding rent.

### **3.3 EMPLOYEES**

The Director, Mr Moore, has advised of outstanding employee entitlements, majority of which relates to outstanding superannuation.

To the extent there are amounts owed to employees of the Company, there is a statutory priority of payment in respect of outstanding entitlements such as wages, superannuation, annual leave, long service leave, payment in lieu of notice and redundancy.

In the event that there are insufficient funds to pay a dividend to priority (employee) creditors in a winding up, employees (excluding the Directors and related parties) may lodge a claim under the Fair Entitlements Guarantee ("FEG") scheme with the Department of Employment and Workplace Relations in respect of certain entitlements that they are owed, subject to them meeting the eligibility requirements of the FEG scheme. FEG does not pay outstanding superannuation.

Any person claiming to be a creditor of the Company in respect of outstanding employee entitlements should notify Mr Mankirth Mandair of this office without delay.

### 3.4 SECURED CREDITORS AND SECURITY INTERESTS

A search of the Personal Property Securities Register indicates the following registrations over Company assets:

Registration Number	Secured Party	Start Date	Collateral Class
201402040018944	Go Electrical Pty Ltd	04/02/2014	Other Goods
201802190058610	Schneider Electrical (Australia) Pty Limited Schneider Electrical It Australia Pty Ltd Schneider Electrical Buildings Australia Pty Ltd Schneider Electrical Systems Australia Pty Ltd Schneider Electrical Sustainability Business Australia Pty Ltd	19/02/2018	Other Goods

202207060062183	Coates Hire Operations Pty Limited	06/07/2022	Motor Vehicles

We have written to each of the parties requesting information with respect to their debt and to provide the relevant documents relating to their security interests.

Metal Manufacturers Pty Ltd has advised the debt owed by the Company is approx. \$22K. We are still awaiting a response from the other secured parties.

### 3.5 CONTRACTS AND AGREEMENTS

The purpose of this document is to assist creditors with understanding any relevant relationships that we as Joint and Several Liquidators, have with parties who are closely connected to Parallel Power Pty Ltd (In Liquidation) ("the Company") and any indemnities or upfront payments that have been provided to us. None of the relationships disclosed in this document are such that our independence is affected.

This information is provided so you have trust and confidence in our independence and, if not, you can ask for further explanation or information and can act to remove and replace us if you wish.

This declaration is made in respect of ourselves, our partners and BRI Ferrier.

We are Professional Members of ARITA – Australian Restructuring Insolvency and Turnaround Association. We acknowledge that we are bound by the ARITA Code of Professional Practice.

## **A. INDEPENDENCE**

We, Andrew Cummins and Peter Krejci, of BRI Ferrier have assessed our independence prior to accepting the appointment as Joint and Several Liquidators of the Company in accordance with the law and applicable professional standards and we are not aware of any reasons that would prevent us from accepting this appointment. There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those we have disclosed in this document.

## **B. CIRCUMSTANCES OF APPOINTMENT**

### **I. HOW WE WERE REFERRED THIS APPOINTMENT**

This appointment was referred to us by BDJ Partners ("BDJ"), the Company's external accountant.

We believe that this referral does not result in a conflict of interest or duty because:

- This is the first matter we have been referred from BDJ;
- Referrals from accountants, solicitors and business advisors are commonplace and do not impact on our independence in carrying out our duties as a liquidator; and
- We have not received or paid any benefit to BDJ with respect of this referral.

There is no expectation, agreement or understanding between us and BDJ regarding the conduct of the Joint and Several Liquidators and we are free to act independently and in accordance with the law and applicable professional standards.

### **II. DID WE MEET WITH THE COMPANY, THE DIRECTORS OR THEIR ADVISER BEFORE WE WERE APPOINTED?**

☒ Yes ☐ No

We have engaged in various discussions regarding the potential appointment, as detailed below:

- On 14 November 2023, Peter Krejci was contacted by BDJ via telephone regarding the Company. A short background on the Company's affairs was provided. That discussion revolved around the Company's eligibility for a Small Business Restructure ("SBR").
- On 15 November 2023, Peter Krejci contacted the Australian Taxation Office ("ATO") in regard to the Company's eligibility for a SBR.
- On 4 December 2023, Peter Krejci spoke to David Stewart, the director of the Company to obtain further background of the Company.
- Between 15 December 2023 and 22 January 2024, Peter Krejci maintained infrequent correspondence with BDJ to obtain further background of the Company. The correspondence with BDJ was in connection with the Company meeting eligibility for a SBR appointment.
- On 18 January 2024, Darren Bowles, the Company's legal advisor contacted Peter Krejci advising that the Directors' have received a Director Penalty Notice from the ATO and they would like to place the Company into Creditors Voluntary Liquidation ("CVL").
- On 4 February 2024, Mr Stewart contacted Peter Krejci to discuss the affairs of the Company and confirmed his intentions to place the Company into CVL.
- On 7 February 2024, Mr Savio Monis of BRI Ferrier provided a copy of our Consent to Act as well as the relevant documents to place the Company into CVL. Later that day, we were appointed Joint and Several Liquidators.

Neither we, nor our firm have received any remuneration for the abovementioned correspondence and advice.

In our opinion, the above does not affect our independence for the following reasons:

- The Courts and the ARITA COPP specifically recognise the need for practitioners to provide advice on the insolvency process and the options available and do not consider that such advice is a conflict or is an impediment to accepting the appointment;
- The nature of the advice provided to the Company is such that it would not be subject to review and challenge during the course of the Liquidation; and
- The pre-appointment advice will not influence our ability to be able to fully comply with the statutory and fiduciary obligations associated with the liquidation of the company in an objective or impartial manner.

We have provided no other information or advice to the Company, its Directors or advisors prior to our appointment beyond that outlined in this DIRRI.

## **C. DECLARATION OF RELATIONSHIPS**

Within the previous two years, neither we, nor our firm, have had a relationship with:

Name	Nature of relationship
The Company	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
The Directors	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Any associates of the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A former insolvency practitioner appointed to the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company's property?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Do we have any other relationships that we consider are relevant to creditors assessing our independence?

☒ Yes ☐ No

#### **Australian Taxation Office**

The records identify that the ATO is a creditor of the Company.

The ATO is a sophisticated statutory creditor and is administratively bound to act as a Model Litigant. In our experience the ATO does not seek to exert improper pressure on insolvency practitioners in connection with the discharge of their duties to creditors generally.

Principals and Directors of BRI Ferrier around Australia, were, until its expiration at the end of 2014, members of a panel of Official Liquidators established by the ATO and accepted appointments by Australian Courts initiated by the Federal Commissioner. These Official Liquidators had undertaken to the ATO to accept appointments as Liquidator appointed by a Court under the Corporations Act where the ATO is the applicant creditor, whether the Company has assets or not. BRI Ferrier is likely to seek inclusion in any comparable panel should one be established in future. Membership of the panel was not conditional upon any preference or benefit being conferred upon the ATO.

In addition to the above, we also note that Principals of BRI Ferrier routinely accept nominations and appointment as insolvency practitioners by the major trading banks, in addition to creditors such as the ATO (as discussed above). The nature of these relationships varies over time depending on the nature of the engagements. Such relationships do not impede our independence or give rise to a conflict of duties because we accept such engagements only on the basis that our independence will be maintained and the relationships are maintained on professional commercial terms.

#### **BDJ**

This is the first matter we have been referred from BDJ. This referral represents an immaterial proportion of matters that we, our partners, and BRI Ferrier are referred on a yearly basis. We, our partners and BRI Ferrier have no other relationship or association with BDJ that would impede us from acting independently regarding all decisions required to be made during the liquidation.

### III. NO OTHER RELEVANT RELATIONSHIPS TO DISCLOSE

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has a valid and enforceable security interest on the whole or substantially whole of the Company's property that should be disclosed.

### D. INDEMNITIES AND UP-FRONT PAYMENTS

We have not received any up-front payments or indemnities for this appointment. This does not include any indemnities we may be entitled to under the law.

Dated: 21 February 2024

Peter Krejci

#### NOTE:

1. *The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional Standards.*
2. *If circumstances change, or new information is identified, we are required under the Corporations Act 2001 and ARITA's Code of Professional Practice to update this Declaration and provide a copy to creditors with our next communication as well as table a copy of any replacement declaration at the next meeting of the insolvent's creditors. For creditors' voluntary liquidations and voluntary administrations, this document and any updated versions of this document are required to be lodged with ASIC.*

## INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50  
Insolvency Practice Rules (Corporations) 70-35

**PARALLEL POWER PTY LTD (IN LIQUIDATION)**  
**ACN 143 147 380**  
**("THE COMPANY")**

The purpose of the Initial Remuneration Notice is to provide you with information about how our remuneration for undertaking each administration will be set.

### A. REMUNERATION METHOD

There are four methods for calculation of remuneration that can be used to calculate the remuneration of an Insolvency Practitioner. They are:

- ▶ Time based / hourly rates or "Time Cost"

This is the most common method. It provides for remuneration to be charged at an hourly rate for each person working on the matter. The hourly rate charged will reflect the level of experience each person has.

- ▶ Fixed Fee

The total remuneration for the administration is quoted at the commencement of the appointment and is the total charge for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.

- ▶ Percentage

The remuneration for the appointment is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.

- ▶ Contingency

The total remuneration for the matter is structured to be contingent on a particular outcome being achieved.

### B. METHOD CHOSEN

Given the nature of this administration, I propose that our remuneration be calculated on the time based /hourly rates method. In our opinion, this is the fairest method for the following reasons:

- ▶ We will only be paid for work done, subject to sufficient realisations of the Company assets.
- ▶ It ensures creditors are only charged for work that is performed. Our time is recorded and charged in six-minute increments and staff are allocated to duties according to their relevant experience and qualifications.

- We are required to perform a number of tasks which do not relate to the realisation of assets, including responding to creditor enquiries, reporting to the ASIC, distributing funds in accordance with the provisions of the Corporations Act 2001.

We are unable to advise with certainty the total amount of fees necessary to complete all tasks required in this administration. BRI Ferrier reviews its hourly rates every twelve months. The hourly rates quoted below remain current until further notice. At this time BRI Ferrier may increase the hourly rates charged for work performed past that date. If hourly rates are increased, we will seek approval from creditors.

## C. EXPLANATION OF HOURLY RATES

The rates applicable are set out in the table below together with a general guide to the qualifications and experience of staff engaged in the external administration and the role they undertake in the administration. The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage rate.

Title	Description	Hourly Rates (ex GST)

Senior 2	An accountant with less than 2 years' experience. Typically a graduate who has commenced study leading to professional qualifications. Able to complete many tasks on medium to large appointments under supervision.	\$380
Intermediate 1	An accountant with less than 2 years' experience. Typically a graduate and commencing study for qualifications. Able to complete multiple tasks on smaller to medium appointments under supervision.	\$330
Intermediate 2	An accountant with less than 1 years' experience. A trainee undertaking degree with an accountancy major. Assists in the appointment under supervision.	\$280

Junior Administration	Appropriately skilled and undertakes support activities including but not limited to treasury, word processing and other administrative, clerical and secretarial tasks.	\$180

## D. ESTIMATED REMUENRATION

We estimate that this administration may cost approximately \$50,000.00 (excl. GST, disbursements and legal costs, as necessary) to complete.

The above cost is subject to the following variables which may have a significant effect on this estimate and that we are unable to determine until we have progressed further in the administration:

- Information provided to us before the appointment about the Company's assets, its liabilities and its trading performance is substantially accurate;
- All relevant officers comply with their statutory duties to provide information about the Company's affairs;
- All property of the Company is surrendered to us upon appointment;
- The records of the Company are made available in a form permitting examination and investigation; and
- If legal matters are currently on foot they are settled in a short period of time or are stayed permanently.

This estimate is based on the information available to date. Should any of the above circumstances change, we believe that costs will likely increase from our estimate above.

## E. DISBURSEMENTS

Disbursements are divided into three types:

- Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- Externally provided non-professional costs such as travel, accommodation and search fees. These are recovered at cost.
- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

We are not required to seek creditor approval for disbursements paid to third parties, but must account to creditors. However, we must be satisfied that these disbursements are appropriate, justified and reasonable.

We are required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve the internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements in this administration are provided below.

Disbursement Type	Rate (excl GST)
Externally provided professional services	At cost
Externally provided non-professional costs	At cost
Internal disbursements	
ASIC Charges for appointments and notifiable events	At cost
Faxes and Photocopying	\$0.25 per page
Postage	At cost
Staff vehicle use	In accordance with ATO mileage allowances

# Insolvency information for directors, employees, creditors and shareholders

This is **Information Sheet 39 (INFO 39)**. It lists ASIC's information sheets for directors, employees, creditors and shareholders affected by a company's insolvency.

We have produced these with endorsement from the Australian Restructuring Insolvency & Turnaround Association (ARITA).

The information sheets give a basic understanding of the three most common company insolvency procedures – liquidation, voluntary administration and receivership – as well as the independence requirements for external administrators and approving external administrator remuneration. There is also a glossary of commonly used insolvency terms.
