1 DISCLAIMER

An investigation of the Company's affairs has been conducted and this report and the statements made herein have been prepared based upon available books and records and from my own enquiries.

Whilst I have no reason to doubt the accuracy of the information provided or contained herein, I reserve the right to alter my opinions or conclusions should the underlying data prove to be inaccurate or materially change after the date of this report.

Neither I, nor any member or employee of BRI Ferrier accepts responsibility in any way whatsoever to any person in respect of any errors in this report arising from incorrect information provided to me, or necessary estimates and assessments made for the purposes of the report.

This report is not for general circulation, publication, reproduction, or any use other than to assist creditors in evaluating their position as creditors of the Company and must not be disclosed without the prior approval of the Liquidator.

Creditors should consider seeking their own independent legal advice as to their rights and options available to them.

Should any creditor have material information in relation to the Company's affairs which they consider may impact on my investigations or report, please forward details in writing as soon as possible.

2 EXECUTIVE SUMMARY

I was appointed Liquidator of the Company on 25 March 2025, pursuant to an Order of the Supreme Court of NSW, on application by iCare.

This report has been prepared pursuant to Insolvency Practice Rule 70-30 of the Act. You have received this Report because I am aware that you may have a creditor claim and/or the limited books and records available identified you as a creditor.

My investigations to date into the Company's affairs and the conduct of its officers are preliminary and a more detailed report will be provided to creditors within three months. My findings, including any offences identified, will be reported to ASIC in due course.

I provide herein a brief overview of the Company's affairs as presently known to me at this time.

- The Company was incorporated on 4 September 2017.
- The Company operated a removalist business servicing the metro Sydney area.
- The Director has advised the Company ceased trading on or around December 2022.
- The Director, Mr Jingdong Guo is the sole director and shareholder of the Company, having been appointed director since the Company's incorporation.

- An ASIC Company search lists the Company's Registered Address and Principal Place of Business as '23 Old Beecroft Road, Cheltenham NSW 2119'. I have conducted a statutory search of the registered office and note the Director to not be an owner of this property.
- I have written to the Company's former accountant as advised by the Director requesting the books and records in their possession. I note as at the date of this report, I am yet to receive a response to my requests.
- Upon my appointment, members of my staff contacted the Director who advised he attempted an expansion of the business that coincided with the COVID-19 pandemic which in his opinion ultimately caused the Company's failure.
- The Director has advised the Company previously employed three (3) full time and three (3) part time staff, all of which were terminated prior to my appointment.
- The Director has advised that the Company previously held a number of trucks utilised in the business, however these were purportedly privately sold prior the Company ceasing to trade. My investigations indicate that there may be one (1) truck still registered in the Company's name. I have requested further information from the Director in this regard.

In respect of preliminary investigations undertaken to date, I have identified the aforementioned truck as a potential asset of the Company however I do not anticipate it to provide for a meaningful realisation in the Liquidation. I am yet to identify a bank account held in the Company's name.

The Company's known liabilities as at the date of this report is represented by claims from one unsecured creditor being iCare for \$22.7K. I note, however, that the DCoT has not yet actioned my requests for access to the Company's taxation records at this time nor submitted a POD in the Liquidation, further the Company may have additional creditors unaware of the Liquidation as such, the total liabilities are likely to increase.

In any event, I am required to investigate the Company's affairs and the conduct of its officers and report my findings to ASIC in due course. If any creditors have information relevant to the Liquidation, they are encouraged to contact my office without delay, such that it may assist my investigations and/or improve the prospects of recovery for creditors.

3 LEGAL PROCEEDINGS

Pursuant to Section 500 of the Act, my appointment as Liquidator automatically stays any current legal proceedings against the Company. Creditors cannot commence or continue proceedings against the Company without my written consent or leave of the Court.

I am not aware of the Company currently being involved in any legal proceedings.

4 EFFECT ON CREDITORS

Creditors should be aware that they are subject to certain restrictions with respect to their claims when the Company is being wound up. I provide a summary of the effect on creditors:

4.1 TRADE SUPPLIERS

All claims against the Company in respect of goods and/or services provided to the Company prior to my appointment are effectively frozen as at the date of my appointment.

I will not accept responsibility for any liability in respect of any goods or services provided after the date of my appointment unless express written authorisation has been provided.

4.2 LANDLORDS/LESSORS

Whilst the Company is in Liquidation, a moratorium is imposed on all debts outstanding as at the date of my appointment. This extends to amounts outstanding to equipment lessors and landlords of any premises leased by the Company.

I am not aware of any outstanding rent for business premises.

4.3 EMPLOYEES

Whilst I have been advised all employees were terminated prior to my appointment, failing receipt of any books and records I am unable to determine if there are any employee entitlements owed by the Company. Notwithstanding, once I have received employee contact information, it is my intention to issue termination letters to each.

To the extent there are outstanding employee entitlements owed by the Company, there is a statutory priority of payment in respect of outstanding entitlements such as wages, superannuation, annual leave, long service leave, payment in lieu of notice and redundancy.

In the event that there are insufficient funds to pay a dividend to priority (employee) creditors in a winding up, employees (excluding the Directors and related parties) may lodge a claim under the FEG scheme with the DEWR in respect of certain entitlements that they are owed, subject to them meeting the eligibility requirements of the FEG scheme. FEG does not pay outstanding superannuation.

The FEG scheme is administered by the DEWR for eligible employees who have been terminated from their employment as a result of their employer's insolvency and are owed entitlements.

In order for an employee to be eligible to claim outstanding entitlements under the FEG scheme, one of the following conditions must be met:

- The employee is terminated upon the appointment of an insolvency practitioner; or
- The employee is terminated by the Company within six (6) months of the appointment of an insolvency practitioner; or
- The termination is due to the insolvency of the employer.

Claims may be submitted in respect of the following entitlements set out below up to the maximum thresholds, provided they are so entitled under their respective industrial instrument/contract of employment to claim:

- ▲ Up to three months unpaid wages;
- ▲ Unpaid annual leave and long service leave;
- ▲ Up to a maximum of five weeks unpaid payment in lieu of notice; and
- ▲ Up to a maximum of four weeks redundancy entitlement for each completed year of service.

FEG will not cover:

- ▲ Outstanding superannuation entitlements;
- ▲ Entitlements such as rostered days off, unless the relevant legislation, award, statutory agreement, or written contract of employment provides they are payable upon termination of employment; and
- ▲ Employee entitlements of directors and related party creditors.

Claims must be lodged no more than 12 months after the later of the date of termination of employment or the date of the insolvency event. Directors who are also employees of the company, or relatives of a director of the employer company, at any time in the 12 months before the insolvency event are not eligible.

Further information in relation to the FEG scheme may be obtained using the following hyperlink: <https://fegonlineservices.dewr.gov.au/>

Any person claiming to be a creditor of the Company in respect of outstanding employee entitlements should notify Mr Joshua Coorey of this office without delay.

A distribution will only be paid in respect of superannuation if there are sufficient realisations from the Liquidation.

4.4 SECURED CREDITORS AND SECURITY INTERESTS

A search of the Personal Property Securities Register did not reveal any security interests registered against the Company.

In any event, if you have leased property to the Company, have a retention of title claim or hold a Personal Property Security in relation to the Company, please contact Miss Sushma Mandira of this office as soon as possible.

4.5 CONTRACTS AND AGREEMENTS

I am not aware of any contracts or agreements at the date of my appointment and unless otherwise indicated, I do not accept adoption of existing contracts. Customers, suppliers, and any other parties with any such contracts should contact Mr Joshua Coorey of this office immediately so that they may be considered.

5 YOUR RIGHTS AS A CREDITOR

- Make reasonable requests for a meeting;
- Make reasonable requests for information;
- Give directions to me;
- Appoint a reviewing liquidator; and

6 PROPOSALS WITHOUT MEETINGS

Given the relatively small size and complexity of the matter, I advise that I will not convene a creditors' meeting at this time. Instead, I enclose Proposal without Meeting Forms for creditors' consideration in lieu of convening a Meeting of Creditors, in accordance with section 75-40 of the *Insolvency Practice Schedule (Corporations) 2016* and section 75-130 of the IPR.

If I receive a request for a meeting that complies with the guidelines set out in the creditor rights information sheet, I will hold a meeting of creditors.

9 QUERIES

If creditors have any information which may aid me in my investigations, please contact my office as a matter of urgency.

The purpose of this document is to assist creditors with understanding any relevant relationships that I, the Liquidator, have with parties who are closely connected to Bell Care Services Pty Limited (In Liquidation) and any indemnities or upfront payments that have been provided to me. None of the relationships disclosed in this document are such that my independence is affected.

This information is provided so you have trust and confidence in my independence and, if not, you can ask for further explanation or information and can act to remove and replace me if you wish.

This declaration is made in respect of myself, my partners and BRI Ferrier.

I am a Professional Member of ARITA – Australian Restructuring Insolvency and Turnaround Association. I acknowledge that I am bound by the ARITA Code of Professional Practice.

A. INDEPENDENCE

I, Peter Krejci, of BRI Ferrier have assessed my independence prior to accepting the appointment as Liquidator of Bell Care Services Pty Limited (In Liquidation) (“the Company”) in accordance with the law and applicable professional standards and I am not aware of any reasons that would prevent me from accepting this. There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those I have disclosed in this document.

B. CIRCUMSTANCES OF APPOINTMENT

I. HOW I WAS REFERRED THIS APPOINTMENT

I was appointed Liquidator of the Company by the Supreme Court on the application of the Workers Compensation Nominal Insurer (“iCare”). On 10 February 2025, I received correspondence from Billie Kerkez of Hall & Wilcox (“HW”) seeking my consent to act as liquidator of the Company. I provided my consent to act as liquidator on the request of HW, on 12 February 2025. This consent does not affect my independence for the reason that the giving of consent to act does not result in any duty owed to that creditor that would conflict with my interests or duties under the Corporations Act.

I believe that this referral does not result in a conflict of interest or duty because:

- I am referred matters from HW on an ad hoc basis where the only common relationship is HW.
- Referrals from solicitors, business advisors and accountants are a commonplace and do not impact my independence in carrying out my duties as liquidator.
- I have not received or paid any benefit to HW with respect of these referrals.

There is no expectation, agreement or understanding between me and Hall & Wilcox regarding the conduct of the Liquidator and I am free to act independently and in accordance with the law and applicable professional standards.

II. DID I MEET WITH THE COMPANY, THE DIRECTORS OR THEIR ADVISER BEFORE I WAS APPOINTED?

☐ Yes ☒ No

Neither I, nor my Firm, have met with the Company, its directors or their advisor prior to my appointment.

C. DECLARATION OF RELATIONSHIPS

Within the previous two years, I, or my firm, have had a relationship with:

Name	Nature of relationship
The Company	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
The director	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Any associates of the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company's property?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Do I have any other relationships that I consider are relevant to creditors assessing my independence?

☒ Yes ☐ No

Australian Taxation Office

- ▲ The ATO is a sophisticated statutory creditor and is administratively bound to act as a Model Litigant. In my experience the ATO does not seek to exert improper pressure on insolvency practitioners in connection with the discharge of their duties to creditors generally.
- ▲ Principals and Directors of BRI Ferrier around Australia, were, until its expiration at the end of 2014, members of a panel of Official Liquidators established by the ATO and accepted appointments by Australian Courts initiated by the Federal Commissioner. These Official Liquidators had undertaken to the ATO to accept appointments as Liquidator appointed by a Court under the Corporations Act where the ATO is the applicant creditor, whether the company has assets or not. BRI Ferrier is likely to seek inclusion in any comparable panel should one be established in future. Membership of the panel was not conditional upon any preference or benefit being conferred upon the ATO.

In addition to the above, I also note that Principals of BRI Ferrier routinely accept nominations and appointments as insolvency practitioners by the major trading banks, in addition to creditors such as the ATO (as discussed above). The nature of these relationships varies over time depending on the nature of the engagements. Such relationships do not impede my independence or give rise to a conflict of duties because I accept such engagements only on the basis that my independence will be maintained and the relationships are maintained on professional commercial terms.

III. NO OTHER RELEVANT RELATIONSHIPS TO DISCLOSE

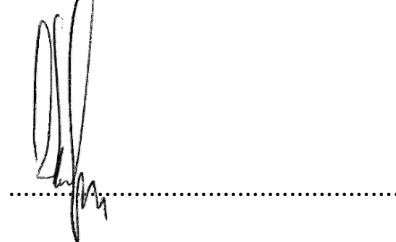

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has a valid and enforceable security interest on the whole or substantially whole of the Company's property that should be disclosed.

D. INDEMNITIES AND UP-FRONT PAYMENTS

I have not been indemnified in relation to this administration, other than any indemnities that I may be entitled to under statute and I have not received any up-front payments in respect of my remuneration or disbursements.

This does not include any indemnities I may be entitled to under the law. I have not received any other indemnities or upfront payments.

Dated: 24 April 2025

Peter Krejci
Liquidator

NOTE:

1. *The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional Standards.*
2. *If circumstances change, or new information is identified, I am required under the Corporations Act 2001 and ARITA's Code of Professional Practice to update this Declaration and provide a copy to creditors with my next communication as well as table a copy of any replacement declaration at the next meeting of the insolvent's creditors. For creditors' voluntary liquidations and voluntary administrations, this document and any updated versions of this document are required to be lodged with ASIC.*

Creditor Rights in Liquidations

Creditor Rights in Liquidations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request a meeting

In liquidations, no meetings of creditors are held automatically. However, creditors with claims of a certain value can request in writing that the liquidator hold a meeting of creditors.

A meeting may be requested in the first 20 business days in a creditors' voluntary liquidation by $\geq 5\%$ of the value of the debts held by known creditors who are not a related entity of the company.

Otherwise, meetings can be requested at any other time or in a court liquidation by:

- $> 10\%$ but $< 25\%$ of the known value of creditors on the condition that those creditors provide security for the cost of holding the meeting
- $\geq 25\%$ of the known value of creditors
- creditors by resolution, or
- a Committee of Inspection (this is a smaller group of creditors elected by, and to represent, all the creditors).

If a request complies with these requirements and is 'reasonable', the liquidator must hold a meeting of creditors as soon as reasonably practicable.

Right to request information

Liquidators will communicate important information with creditors as required in a liquidation. In addition to the initial notice, you should receive, at a minimum, a report within the first three months on the likelihood of a dividend being paid.

Additionally, creditors have the right to request information at any time. A liquidator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the liquidation, and the provision of the information would not cause the liquidator to breach their duties.

A liquidator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the liquidator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

Both meetings and information:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) there is not sufficient available property to comply with the request
- (c) the request is vexatious

Meeting requests only:

- (d) a meeting of creditors dealing with the same matters has been held, or will be held within 15 business days

Information requests only:

- (e) the information requested would be privileged from production in legal proceedings
- (f) disclosure would found an action for breach of confidence
- (g) the information has already been provided
- (h) the information is required to be provided under law within 20 business days of the request

If a request is not reasonable due to (b), (d), (g) or (h) above, the liquidator must comply with the request if the creditor meets the cost of complying with the request.

Otherwise, a liquidator must inform a creditor if their meeting or information request is not reasonable and the reason why.

Specific queries about the liquidation should be directed to the liquidator's office.

Right to give directions to liquidator

Creditors, by resolution, may give a liquidator directions in relation to a liquidation. A liquidator must have regard to these directions, but is not required to comply with the directions.

If a liquidator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons.

An individual creditor cannot provide a direction to a liquidator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a liquidator's remuneration or a cost or expense incurred in a liquidation. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

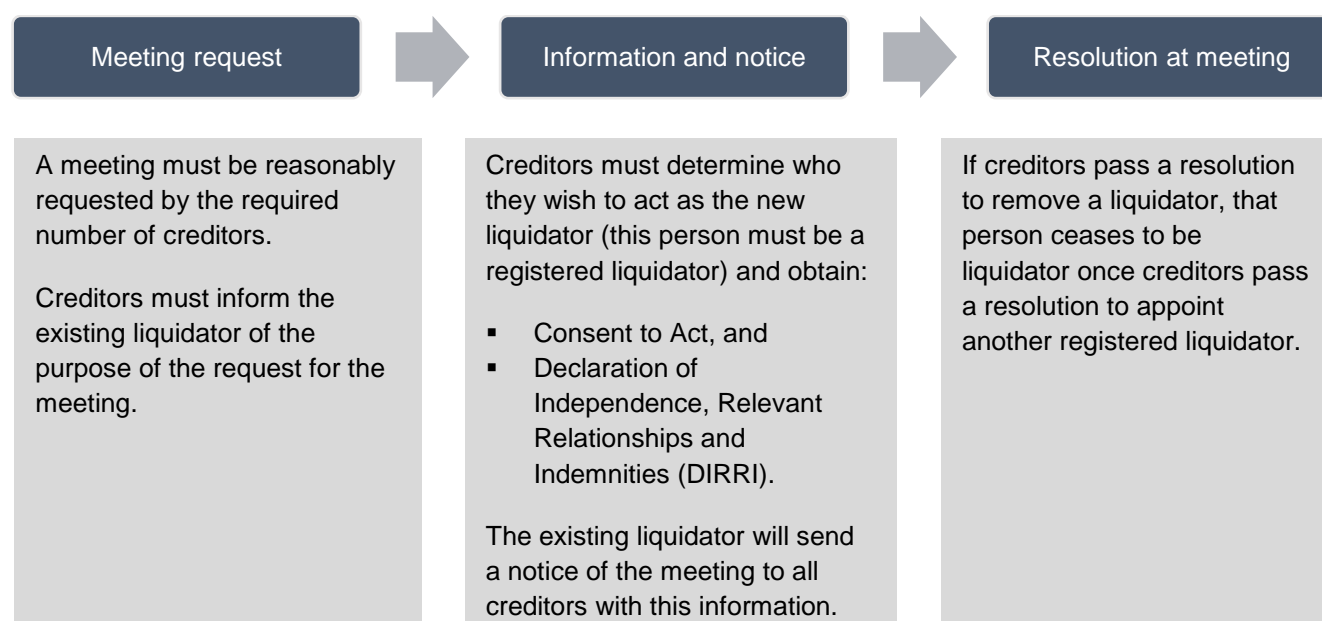

The cost of the reviewing liquidator is paid from the assets of the liquidation, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the liquidator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace liquidator

Creditors, by resolution, have the right to remove a liquidator and appoint another registered liquidator.

For this to happen, there are certain requirements that must be complied with:

**For more information, go to www.arita.com.au/creditors.
Specific queries about the liquidation should be directed to the liquidator's office.**

ARITA Information sheet

Proposal without Meeting

Information sheet: Proposals without meetings

You may be a creditor in a liquidation, voluntary administration or deed of company arrangement (collectively referred to as an external administration).

You have been asked by the liquidator, voluntary administrator or deed administrator (collectively referred to as an external administrator) to consider passing a proposal without a meeting.

This information sheet is to assist you with understanding what a proposal without a meeting is and what your rights as a creditor are.

What is a proposal without a meeting?

Meetings of creditors were previously the only way that external administrators could obtain the views of the body of creditors. However, meetings can be very expensive to hold.

A proposal without a meeting is a cost effective way for the external administrator to obtain the consent of creditors to a particular course of action.

What types of proposals can be put to creditors?

The external administrator is able to put a range of proposals to creditors by giving notice in writing to the creditors. There is a restriction under the law that each notice can only contain a single proposal. However, the external administrator can send more than one notice at any single time.

What information must the notice contain?

The notice must:

- include a statement of the reasons for the proposal and the likely impact it will have on creditors if it is passed
- invite the creditor to either:
 - vote yes or no to the proposal, or
 - object to the proposal being resolved without a meeting, and
- specify a period of at least 15 business days for replies to be received by the external administrator.

If you wish to vote or object, you will also need to lodge a Proof of Debt (POD) to substantiate your claim in the external administration. The external administrator will provide you with a POD to complete. You should ensure that you also provide documentation to support your claim.

If you have already lodged a POD in this external administration, you do not need to lodge another one.

The external administrator must also provide you with enough information for you to be able to make an informed decision on how to cast your vote on the proposal. With some types of proposals, the law or ARITA's Code of Professional Practice sets requirements for the information that you must be provided.

For example, if the external administrator is asking you to approve remuneration, you will be provided with a Remuneration Approval Report, which will provide you with detailed information about how the external administrator's remuneration for undertaking the external administration has been calculated.

What are your options if you are asked to vote on a proposal without a meeting?

You can choose to vote yes, no or object to the proposal being resolved without a meeting.

How is a resolution passed?

A resolution will be passed if more than 50% in number and 50% in value (of those creditors who did vote) voted in favour of the proposal, but only so long as not more than 25% in value objected to the proposal being resolved without a meeting.

What happens if the proposal doesn't pass?

If the proposal doesn't pass and an objection is not received, the external administrator can choose to amend the proposal and ask creditors to consider it again or the external administrator can choose to hold a meeting of creditors to consider the proposal.

The external administrator may also be able to go to Court to seek approval.

What happens if I object to the proposal being resolved without a meeting?

If more than 25% in value of creditors responding to the proposal object to the proposal being resolved without a meeting, the proposal will not pass even if the required majority vote yes. The external administrator will also be unable to put the proposal to creditors again without a meeting.

You should be aware that if you choose to object, there will be additional costs associated with convening a meeting of creditors or the external administrator seeking the approval of the Court. This cost will normally be paid from the available assets in the external administration.

This is an important power and you should ensure that it is used appropriately.

Where can I get more information?

The Australian Restructuring Insolvency and Turnaround Association (ARITA) provides information to assist creditors with understanding external administrations and insolvency.

This information is available from ARITA's website at artia.com.au/creditors.

ASIC also provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at asic.gov.au (search for "insolvency information sheets").

Initial Remuneration Notice

INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50
Insolvency Practice Rules (Corporations) 70-35

Date: 23 April 2025

Anderson Removal Pty. Ltd. (In Liquidation)
ACN 621 087 045 ("the Company")

The purpose of the Initial Remuneration Notice is to provide you with information about how my remuneration for undertaking the Liquidation will be set.

A REMUNERATION METHOD

There are four methods for calculation of remuneration that can be used to calculate the remuneration of an Insolvency Practitioner. They are:

▲ Time-based / hourly rates or "Time Cost"

This is the most common method. It provides for remuneration to be charged at an hourly rate for each person working on the matter. The hourly rate charged will reflect the level of experience each person has.

▲ Fixed Fee

The total remuneration for the administration is quoted at commencement of the appointment and is the total charge for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.

▲ Percentage

The remuneration for the appointment is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.

▲ Contingency

The total remuneration for the matter is structured to be contingent on a particular outcome being achieved.

B METHOD CHOSEN

Given the nature of this administration, I propose that my remuneration be calculated on the time-based / hourly rates method. In my opinion, this is the fairest method for the following reasons:

- ▲ I will only be paid for work done, subject to sufficient realisations of the Company assets.
- ▲ It ensures creditors are only charged for work that is performed. My time is recorded and charged in six-minute increments and staff are allocated to duties according to their relevant experience and qualifications.

- I am required to perform a number of tasks which do not relate to the realisation of assets, including responding to creditor enquiries, reporting to the ASIC, and distributing funds in accordance with the provisions of the Corporations Act 2001.

I am unable to advise with certainty the total amount of fees necessary to complete all tasks required in this administration. BRI Ferrier reviews its hourly rates every twelve months. The hourly rates quoted below remain current until further notice. At this time BRI Ferrier may increase the hourly rates charged for work performed past that date. If hourly rates are increased, I will seek approval from creditors.

C EXPLANATION OF HOURLY RATES

The rates applicable are set out in the table on the following page together with a general guide to the qualifications and experience of staff engaged in administration and the role they undertake in the administration. The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage rate.

Title	Description	Hourly Rate (ex GST) 1 July 24

Junior Administration	Appropriately skilled and undertakes support activities including but not limited to treasury, word processing and other administrative, clerical and secretarial tasks.	\$200

D ESTIMATE OF COST

I estimate that this administration may cost up to \$40,000.00 (plus GST) to complete.

The above cost is subject to the following variables, which may have a significant effect on this estimate and that I am unable to determine until I have progressed further in the administration:

- Information provided to me before appointment about the Company's assets, its liabilities and its trading performance is substantially accurate;
- The records of the Company are made available in a form permitting examination and investigation;
- All property of the Company is surrendered to me upon appointment;
- All relevant officers comply with their statutory duties to provide information about the Company's affairs;
- The legal matters currently on foot are settled in a short period of time or are stayed permanently;
- No appointment is made by a secured creditor; and
- There is no dispute in respect of any priority and/or secured creditor claims.

This estimate is based on the information available to date. Should any of the above circumstances change, I believe that costs will likely increase from my estimate above.

E DISBURSEMENTS

Disbursements are divided into three types:

- Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- Externally provided non-professional costs such as travel, accommodation and search fees. These are recovered at cost.
- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

I am not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, I must be satisfied that these disbursements are appropriate, justified and reasonable.

I am required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve my internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements in this administration are provided below.

Disbursement Type	Rate (excl GST)
Externally provided professional services	At cost
Externally provided non-professional costs	At cost
Internal disbursements	
ASIC Charges for Appointments and Notifiable Events	At cost
Faxes and Photocopying	\$0.25 per page
Postage	At cost
Staff vehicle use	In accordance with ATO mileage allowances

1. EXECUTIVE SUMMARY

I am asking creditors to approve my remuneration of \$40,000.00 (excl. GST) and disbursements of \$1,000.00.

Details of remuneration and disbursements can be found in section 3 and 4 of this report.

I am asking creditors to approve my remuneration via a proposal without a meeting.

I estimate the total cost of this Liquidation will be approximately \$40,000.00 (excl. GST).

2. DECLARATION

I have undertaken an assessment of this remuneration and disbursement claim in accordance with the law and applicable professional standards. I am satisfied that the remuneration and disbursements claimed are necessary and proper.

I have reviewed the work in progress report for the Liquidation to ensure that remuneration is only being claimed for necessary and proper work performed and no adjustment was necessary.

3. REMUNERATION SOUGHT

The remuneration I am asking creditors to approve is as follows:

For	Period	Amount \$ (excl. GST)	Rates	When it will be drawn
Completed Work	25 March 2025 to 20 April 2025	\$7,035.00	Provided in my Initial Remuneration Notice dated 24 April 2025	It will be drawn when funds are available.
Future Work	21 April 2025 to Conclusion	\$32,965.00	Provided in my Initial Remuneration Notice dated 24 April 2025	It will be drawn when funds are available and it is incurred.
TOTAL		\$40,000.00 (excl. GST)		

Details of the work already completed for the period 25 March 2025 to 20 April 2025 and future work that I intend to complete are included at Schedule A.

Schedule B includes a breakdown of time spent by staff members on each major task for completed work.

Actual resolutions to be put to creditors by way of a proposal are included at Schedule C and D for your information. These resolutions also appear in the proposal without a meeting form provided to you.

4. DISBURSEMENT SOUGHT

I am not required to seek creditor approval for costs paid to third parties or where I am recovering a cost incurred on behalf of the external administration, but I must provide details to creditors. I have not paid any such costs to date.

I am required to obtain creditor's consent for the payment of a disbursement where I, or a related entity of myself, may directly or indirectly obtain a profit.

The disbursements I would like creditors to approve is as follows:

For	Period	Amount \$ (excl. GST)
Disbursements to be capped amount	25 March 2025 to Conclusion	\$1,000.00

Details of the disbursements incurred, and future disbursements are included at Schedule D. Actual resolutions to be put to the meeting are also included at Schedule D. These resolutions also appear in the proposal without a meeting form provided to you.

5. LIKELY IMPACT ON DIVIDENDS

The Corporations Act sets the order of payment of claims against the Company, and it provides for remuneration of the Liquidator to be paid in priority to other claims. This ensures that when there are sufficient funds, the Liquidator receives payment for the work done to recover assets, investigate the Company's affairs, report to creditors and ASIC and distribute any available funds. Even if creditors approve my remuneration, this does not guarantee that I will be paid, as I am only paid if sufficient assets are recovered.

Any dividend to creditors will also be impacted by the amount of assets that I am able to recover, and the amount of creditor claims that are admitted to participate in any dividend, including any claims by priority creditors such as employees.

I am unable to provide a dividend estimate of any certainty at this stage of the Liquidation. If I do declare a dividend, any creditor whose claim has not yet been admitted will be contacted and asked to submit a proof of debt.

6. QUERIES & INFORMATION SHEET

If you have any queries in relation to the information in this report, please contact my office.

You can also access information which may assist you on the following websites:

- ▲ ARITA at www.arita.com.au/creditors

These disbursements, if charged to the Administration, would generally charge at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. I advise that to date, I have not paid any disbursements incurred during this Liquidation by my Firm.

I am not obliged to seek creditor approval for disbursements paid to third parties, but must account to creditors, this includes providing details of the basis of charging for these types of disbursements to creditors as part of the Remuneration Approval Report.

I am required to seek creditor approval for internal disbursements where there could be a profit or advantage. Accordingly, I will be seeking approval from creditors for **Resolution 3**, of which details are provided in **Schedule C** of this Remuneration Approval Report.

Reasons for the proposal and the likely impact it will have on creditors if it is passed

- A Liquidator is entitled to be fairly remunerated for undertaking statutory and other duties, including reporting obligations in acting as a liquidator.
- I am unable to pay my remuneration without the approval of the Committee of Inspection (if one has been appointed), Creditors, or the Court.
- Approval by Creditors is efficient and timely and is less costly than an application to the Court.
- Approval of my remuneration will allow me to progress further investigations in a timely manner to ensure the prospect of any dividends can be maximised.
