1 DISCLAIMER

An investigation of the Companies affairs has been conducted and this report and the statements made herein have been prepared based upon available books and records and from our own enquiries.

Whilst we have no reason to doubt the accuracy of the information provided or contained herein, we reserve the right to alter our opinions or conclusions should the underlying data prove to be inaccurate or materially change after the date of this report.

Neither of us, nor any member or employee of BRI Ferrier accepts responsibility in any way whatsoever to any person in respect of any errors in this report arising from incorrect information provided to us, or necessary estimates and assessments made for the purposes of the report.

This report is not for general circulation, publication, reproduction, or any use other than to assist creditors in evaluating their position as creditors of the Companies and must not be disclosed without the prior approval of the Liquidators.

Creditors should consider seeking their own independent legal advice as to their rights and options available to them.

Should any creditor have material information in relation to the Companies affairs which they consider may impact on our investigations or report, please forward details in writing as soon as possible.

2 EXECUTIVE SUMMARY

Jonathon Keenan and I were appointed Joint and Several Liquidators of JAGA on 18 July 2025 and Vine on 23 July 2025, pursuant to Orders of the Federal Court of Australia on the petition of the ATO for unpaid taxation liabilities.

This report has been prepared pursuant to Insolvency Practice Rule 70-30 of the Act. You have received this Report because we are aware that you may have a creditor claim and/or the limited books and records available identified you as a creditor.

Our investigations to date into the Companies affairs and the conduct of their officers are preliminary and a more detailed report will be provided to creditors within three months. Our findings, including any offences identified, will be reported to ASIC in due course.

We provide herein a brief overview of the Companies' affairs as presently known to us at this time.

- JAGA was incorporated on 24 January 2022 with the following governance and corporate structure:
 - Director: Mr Jon Adgemis
 - Shareholder: PLM OPCO Pty Ltd (Subject to Deed of Company Arrangement) ACN 609 4963

- Principal Place of Business: 255 Crown Street Darlinghurst NSW 2010
 - Registered Office: Level 4, 141 Walker Street North Sydney NSW 2060
 - Vine was incorporated on 17 August 2021 with the following governance and corporate structure:
 - Director: Mr Jon Adgemis
 - Shareholder: Mr Jon Adgemis
 - Principal Place of Business: Level 4, 141 Walker Street North Sydney NSW 2060
 - Registered Office: Level 4, 141 Walker Street North Sydney NSW 2060
- The Companies formed part of the Public Hospitality Group (“**PHG**”) operated by the Director. PHG owned and managed a portfolio of pubs and hotels across Sydney. Prior to our appointment, a number of the entities within the group had ceased trading, are presently in external administration and/or are subject to enforcement action by secured creditors.
- We understand several entities within the PHG are alleged to have made improper, GST credit claims and are now subjects of an ATO audit and investigation.
- The ATO has submitted a POD for each entity as follows:
 - JAGA as at 18 July 2025 in the amount of \$893,871.61 in respect of a Running Balance Account deficit.
 - Vine as at 23 July 2025 in the amount of \$43,737.82 in respect of a Running Balance Account deficit.
- As at the date of writing, the Director has not attended to our requests and/or correspondence. As a result, we are yet to receive any books and records of the Companies.
- Through discussions with the PHG’s CFO, Mr Alexander Andruska, it was asserted that JAGA was incorporated to import medical supplies during the COVID-19 pandemic. Mr Andruska has asserted that the business did not eventuate, with no supplies being imported and no bank account being opened for JAGA. We note JAGA was incorporated post the predominant pandemic period, on 24 January 2022.
- Mr Andruska has further advised Vine’s sole purpose was acting as trustee for the Vine Discretionary Trust. Mr Andruska has not provided further details as to Vine’s dealings as trustee other than advising that the Trust owned units in a unit trust.
- Our investigations to date have not located any bank accounts operated by JAGA or Vine. Xero, MYOB and Reckon have not located any management accounts operated by either entity.

We are required to investigate the Companies affairs and the conduct of its officers and report our findings to ASIC in due course. If any creditors have information relevant to the Liquidations, they are

encouraged to contact our office without delay, such that it may assist our investigations and/or improve the prospects of recovery for creditors.

3 LEGAL PROCEEDINGS

Pursuant to Section 500 of the Act, our appointment as Joint and Several Liquidators automatically stays any current legal proceedings against the Companies. Creditors cannot commence or continue proceedings against the Companies without our written consent or leave of the Court.

We are not aware of either of the Companies currently being involved in any legal proceedings.

4 EFFECT ON CREDITORS

Creditors should be aware that they are subject to certain restrictions with respect to their claims when the Companies are being wound up. We provide a summary of the effect on creditors:

4.1 TRADE SUPPLIERS

All claims against the Companies in respect of goods and/or services provided to the Companies prior to our appointment are effectively frozen as at the date of our appointment.

We will not accept responsibility for any liability in respect of any goods or services provided after the date of our appointment unless express written authorisation has been provided.

4.2 LANDLORDS/LESSORS

Whilst the Companies are in Liquidation, a moratorium is imposed on all debts outstanding as at the date of our appointment. This extends to amounts outstanding to equipment lessors and landlords of any premises leased by the Companies.

We are not aware of any outstanding rent for business premises.

4.3 EMPLOYEES

Our investigations to date suggest neither of the Companies were employing entities. As such, we are not aware of any employee entitlements owed by the Companies.

To the extent there are outstanding employee entitlements owed by the Companies, there is a statutory priority of payment in respect of outstanding entitlements such as wages, superannuation, annual leave, long service leave, payment in lieu of notice and redundancy.

In the event that there are insufficient funds to pay a dividend to priority (employee) creditors in a winding up, employees (excluding the Directors and related parties) may lodge a claim under the FEG scheme with the DEWR in respect of certain entitlements that they are owed, subject to them meeting the eligibility requirements of the FEG scheme. FEG does not pay outstanding superannuation.

The FEG scheme is administered by the DEWR for eligible employees who have been terminated from their employment as a result of their employer's insolvency and are owed entitlements.

In order for an employee to be eligible to claim outstanding entitlements under the FEG scheme, one of the following conditions must be met:

- The employee is terminated upon the appointment of an insolvency practitioner; or
- The employee is terminated by the Companies within six (6) months of the appointment of an insolvency practitioner; or
- The termination is due to the insolvency of the employer.

Claims may be submitted in respect of the following entitlements set out below up to the maximum thresholds, provided they are so entitled under their respective industrial instrument/contract of employment to claim:

- Up to three months unpaid wages;
- Unpaid annual leave and long service leave;
- Up to a maximum of five weeks unpaid payment in lieu of notice; and
- Up to a maximum of four weeks redundancy entitlement for each completed year of service.

FEG will not cover:

- Outstanding superannuation entitlements;
- Entitlements such as rostered days off, unless the relevant legislation, award, statutory agreement, or written contract of employment provides they are payable upon termination of employment; and
- Employee entitlements of directors and related party creditors.

Claims must be lodged no more than 12 months after the later of the date of termination of employment or the date of the insolvency event. Directors who are also employees of the company, or relatives of a director of the employer company, at any time in the 12 months before the insolvency event are not eligible.

Further information in relation to the FEG scheme may be obtained using the following hyperlink:
<https://fegonlineservices.dewr.gov.au/>

Any person claiming to be a creditor of the Companies in respect of outstanding employee entitlements should notify Mr Joshua Coorey of this office without delay.

A distribution will only be paid in respect of superannuation if there are sufficient realisations from the Liquidations.

4.4 SECURED CREDITORS AND SECURITY INTERESTS

Searches of the Personal Property Securities Register did not reveal any security interests registered against either of the Companies.

In any event, if you have leased property to the Companies, have a retention of title claim or hold a Personal Property Security in relation to the Companies, please contact Mr Joshua Coorey of this office as soon as possible.

4.5 CONTRACTS AND AGREEMENTS

We are not aware of any contracts or agreements at the date of our appointment and unless otherwise indicated, we do not accept adoption of existing contracts. Customers, suppliers, and any other parties with any such contracts should contact Mr Joshua Coorey of this office immediately so that they may be considered.

5 YOUR RIGHTS AS A CREDITOR

Information regarding your rights as a creditor is provided in the information sheet enclosed. This includes your right to:

- ▶ Make reasonable requests for a meeting;
- ▶ Make reasonable requests for information;
- ▶ Give directions to us;
- ▶ Appoint a reviewing liquidator; and
- ▶ To replace us as Liquidators.

6 PROPOSALS WITHOUT MEETINGS

Given the relatively small size and complexity of the matter, we advise that we will not convene a creditors' meeting at this time. Instead, we enclose Proposal without Meeting Forms for creditors' consideration in lieu of convening a Meeting of Creditors, in accordance with section 75-40 of the *Insolvency Practice Schedule (Corporations) 2016* and section 75-130 of the IPR.

If we receive a request for a meeting that complies with the guidelines set out in the creditor rights information sheet, we will hold a meeting of creditors.

- ▶ Pay a dividend to the creditors, if available.

We will also write to you within three (3) months of our appointment advising whether a dividend is likely and update you on the progress of my investigations. We may write to you again after that with further information on the progress of the Liquidation, if necessary.

9 QUERIES

If creditors have any information which may aid me in my investigations, please contact our office as a matter of urgency.

Please note that Liquidators are not required to publish notices in the print media. ASIC maintains an online notices page for external administrators to publish notices in respect of companies. Creditors are encouraged to visit <http://insolvencynotices.asic.gov.au> throughout the liquidation to view any notices which may be published in respect of the Companies.

ARITA provides information to aid creditors with understanding liquidations and insolvency. This information is available from ARITA's website at <https://www.arita.com.au/creditors>.

ASIC also provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at asic.gov.au (search for "insolvency information sheets").

The purpose of this document is to assist creditors with understanding any relevant relationships that we, the Joint and Several Liquidators, have with parties who are closely connected to JAGA Medical Supplies Pty Ltd (In Liquidation) ACN 656 779 118 (**JAGA**) and #TheVine Pty Ltd (In Liquidation) ACN 652 905 747 (**Vine**) (Collectively "**Companies**") and any indemnities or upfront payments that have been provided to us. None of the relationships disclosed in this document are such that our independence is affected.

This information is provided so you have trust and confidence in our independence and, if not, you can ask for further explanation or information and can act to remove and replace us if you wish.

This declaration is made in respect of ourselves, our partners and BRI Ferrier.

We are Professional Members of ARITA – Australian Restructuring Insolvency and Turnaround Association. We acknowledge that we are bound by the ARITA Code of Professional Practice.

A. INDEPENDENCE

We, Peter Krejci and Jonathon Keenan, of BRI Ferrier have assessed our independence prior to accepting the appointment as Joint and Several Liquidators of the Companies in accordance with the law and applicable professional standards and we are not aware of any reasons that would prevent us from accepting this. There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those we have disclosed in this document.

B. CIRCUMSTANCES OF APPOINTMENT

I. HOW WE WERE REFERRED THIS APPOINTMENT

We were appointed Joint and Several Liquidators of JAGA and Vine by the Federal Court of Australia on 18 July 2025 and 23 July 2025 respectively, following the applications of the Deputy Commissioner of Taxation (**ATO**). The appointments were referred to us by the ATO. The ATO is a sophisticated statutory body that is administratively bound to act as a Model Litigant and from time to time, will petition to have companies wound up or Liquidators replaced for various regulatory and public interest reasons. Our interactions with the ATO leading to our appointments are as follows:-

- On 19 June 2025, we were contacted by the ATO seeking whether we would consent to act as Joint and Several Liquidators of the Companies.
- On 20 June 2025, we held a virtual meeting with the ATO to discuss the potential appointment.
- On 30 June 2025, we received correspondence from Monica Daley of Craddock Murray Neumann (**CMN**), solicitors acting for the ATO, seeking our consent to act as Joint and Several Liquidators of JAGA.
- We provided CMN with our Consent to Act as Joint and Several Liquidators of JAGA on 30 June 2025. This consent does not affect our independence as the giving of a consent to act does not result in any duty owed to that creditor that would conflict with our interests or duties under the Corporations Act.
- On 2 July 2025, we received correspondence from Max Heptonstall of CMN, solicitors acting for the ATO, seeking our consent to act as Joint and Several Liquidators of Vine.

- ▶ We provided CMN with our Consent to Act as Joint and Several Liquidators of Vine on 2 July 2025. This consent does not affect our independence as the giving of a consent to act does not result in any duty owed to that creditor that would conflict with our interests or duties under the Corporations Act.

We believe that this referral does not result in a conflict of interest or duty because:

- ▶ Whilst we have received referrals from the ATO from time to time, these have been on an ad hoc basis.
- ▶ The giving of a consent to act does not result in any duty owed to that party that would conflict with our interests or duties under the Corporations Act.
- ▶ We have not received or paid any benefit to the ATO with respect of these referrals.
- ▶ As a statutory body, the ATO is bound to act within the rules and regulations set out by the Corporations Act.

There is no expectation, agreement or understanding between us, the ATO or CMN regarding the conduct of the Joint and Several Liquidators and we are free to act independently and in accordance with the law and applicable professional standards.

We are currently appointed as Liquidators over related entities to the Companies as detailed under Section C below. The Companies are related entities by way of a common current or former Director, Mr Jon Adgemis. We were appointed Liquidators of the related entities pursuant to Orders of the Federal Court of Australia. We believe that this referral does not result in a conflict of interest or duty because;

- ▶ It is in the interest of both the Companies and their creditors for common appointees given the information in one liquidation is relevant to the others, resulting in cost savings and increasing the prospects of recoveries for the benefit of creditors in the administrations;
- ▶ That in the event a conflict were to arise, or we became aware of a potential conflict, we would take steps to seek the appointment of an independent practitioner or otherwise approach the court for appropriate guidance.

There is no expectation, agreement or understanding between us and the referrer regarding the conduct of the Joint and Several Liquidators and we are free to act independently and in accordance with the law and applicable professional standards.

II. DID WE MEET WITH THE COMPANY, THE DIRECTORS OR THEIR ADVISORS BEFORE WE WERE APPOINTED?

☐ Yes ☒ No

Neither we, nor our Firm, have met with the Companies, its directors or their advisors prior to our appointment.

C. DECLARATION OF RELATIONSHIPS (EXCLUDING PROFESSIONAL SERVICES TO THE INSOLVENT)

☒ Yes ☐ No

Australian Taxation Office

- The ATO is a sophisticated statutory creditor and is administratively bound to act as a Model Litigant. In our experience, the ATO does not seek to exert improper pressure on insolvency practitioners in connection with the discharge of their duties to creditors generally.
- Principals and Directors of BRI Ferrier around Australia, were, until its expiration at the end of 2014, members of a panel of Official Liquidators established by the ATO and accepted appointments by Australian Courts initiated by the Federal Commissioner. These Official Liquidators had undertaken to the ATO to accept appointments as Liquidator appointed by a Court under the Corporations Act where the ATO is the applicant creditor, whether the company has assets or not. BRI Ferrier is likely to seek inclusion in any comparable panel should one be established in future. Membership of the panel was not conditional upon any preference or benefit being conferred upon the ATO.
- The ATO has provided us indemnities on other liquidations to assist with investigations and to pursue recoveries for the benefit of the respective Liquidations' creditor pools. Those indemnities have been disclosed to the creditors, have or will be approved by the Courts and do not affect our independence for these appointments.
- Further, the ATO, as a significant creditor, may provide an indemnity for various investigations and activities on these appointments. If an indemnity is agreed with the ATO in due course, it will be disclosed to creditors and approvals will be sought, as necessary.

In addition to the above, we also note that Principals of BRI Ferrier routinely accept nominations and appointments as insolvency practitioners by the major trading banks, in addition to creditors such as the ATO (as discussed above). The nature of these relationships varies over time depending on the nature of the engagements. Such relationships do not impede our independence or give rise to a conflict of duties because we accept such engagements only on the basis that our independence will be maintained and the relationships are maintained on professional commercial terms.

III. NO OTHER RELEVANT RELATIONSHIPS TO DISCLOSE

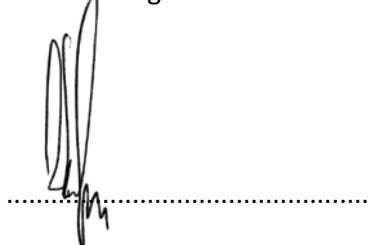

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Companies, an associate of the Companies, a former insolvency practitioner appointed to the Companies or any person or entity that has a valid and enforceable security interest on the whole or substantially whole of the Company's property that should be disclosed.

D. INDEMNITIES AND UP-FRONT PAYMENTS

We have not been indemnified in relation to this administration, other than any indemnities that we may be entitled to under statute and we have not received any up-front payments in respect of our remuneration or disbursements.

This does not include any indemnities we may be entitled to under the law. We have not received any other indemnities or upfront payments.

ARITA Information sheet

Creditor Rights in Liquidation

Creditor Rights in Liquidations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request a meeting

In liquidations, no meetings of creditors are held automatically. However, creditors with claims of a certain value can request in writing that the liquidator hold a meeting of creditors.

A meeting may be requested in the first 20 business days in a creditors' voluntary liquidation by $\geq 5\%$ of the value of the debts held by known creditors who are not a related entity of the company.

Otherwise, meetings can be requested at any other time or in a court liquidation by:

- $> 10\%$ but $< 25\%$ of the known value of creditors on the condition that those creditors provide security for the cost of holding the meeting
- $\geq 25\%$ of the known value of creditors
- creditors by resolution, or
- a Committee of Inspection (this is a smaller group of creditors elected by, and to represent, all the creditors).

If a request complies with these requirements and is 'reasonable', the liquidator must hold a meeting of creditors as soon as reasonably practicable.

Right to request information

Liquidators will communicate important information with creditors as required in a liquidation. In addition to the initial notice, you should receive, at a minimum, a report within the first three months on the likelihood of a dividend being paid.

Additionally, creditors have the right to request information at any time. A liquidator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the liquidation, and the provision of the information would not cause the liquidator to breach their duties.

A liquidator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the liquidator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

Both meetings and information:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) there is not sufficient available property to comply with the request
- (c) the request is vexatious

Meeting requests only:

- (d) a meeting of creditors dealing with the same matters has been held, or will be held within 15 business days

Information requests only:

- (e) the information requested would be privileged from production in legal proceedings
- (f) disclosure would found an action for breach of confidence
- (g) the information has already been provided
- (h) the information is required to be provided under law within 20 business days of the request

If a request is not reasonable due to (b), (d), (g) or (h) above, the liquidator must comply with the request if the creditor meets the cost of complying with the request.

Otherwise, a liquidator must inform a creditor if their meeting or information request is not reasonable and the reason why.

Specific queries about the liquidation should be directed to the liquidator's office.

Right to give directions to liquidator

Creditors, by resolution, may give a liquidator directions in relation to a liquidation. A liquidator must have regard to these directions, but is not required to comply with the directions.

If a liquidator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons.

An individual creditor cannot provide a direction to a liquidator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a liquidator's remuneration or a cost or expense incurred in a liquidation. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

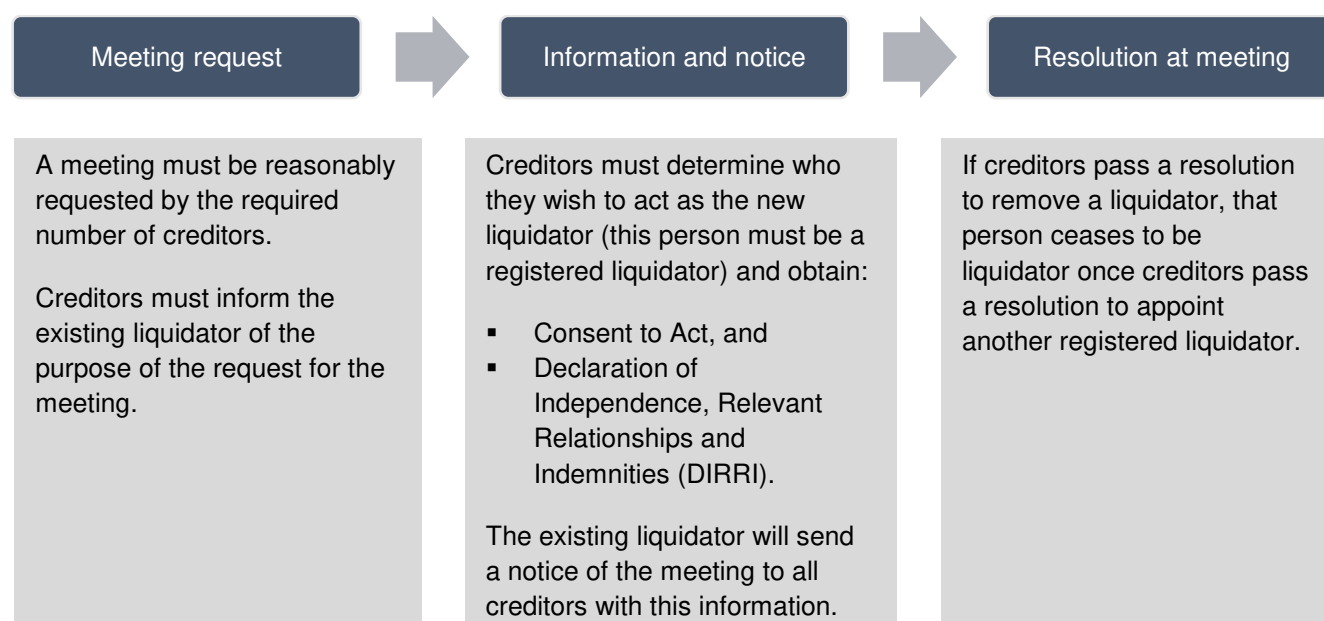

The cost of the reviewing liquidator is paid from the assets of the liquidation, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the liquidator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace liquidator

Creditors, by resolution, have the right to remove a liquidator and appoint another registered liquidator.

For this to happen, there are certain requirements that must be complied with:

**For more information, go to www.arita.com.au/creditors.
Specific queries about the liquidation should be directed to the liquidator's office.**

ARITA Information sheet

Proposals without a Meeting

Information sheet: Proposals without meetings

You may be a creditor in a liquidation, voluntary administration or deed of company arrangement (collectively referred to as an external administration).

You have been asked by the liquidator, voluntary administrator or deed administrator (collectively referred to as an external administrator) to consider passing a proposal without a meeting.

This information sheet is to assist you with understanding what a proposal without a meeting is and what your rights as a creditor are.

What is a proposal without a meeting?

Meetings of creditors were previously the only way that external administrators could obtain the views of the body of creditors. However, meetings can be very expensive to hold.

A proposal without a meeting is a cost effective way for the external administrator to obtain the consent of creditors to a particular course of action.

What types of proposals can be put to creditors?

The external administrator is able to put a range of proposals to creditors by giving notice in writing to the creditors. There is a restriction under the law that each notice can only contain a single proposal. However, the external administrator can send more than one notice at any single time.

What information must the notice contain?

The notice must:

- include a statement of the reasons for the proposal and the likely impact it will have on creditors if it is passed
- invite the creditor to either:
 - vote yes or no to the proposal, or
 - object to the proposal being resolved without a meeting, and
- specify a period of at least 15 business days for replies to be received by the external administrator.

If you wish to vote or object, you will also need to lodge a Proof of Debt (POD) to substantiate your claim in the external administration. The external administrator will provide you with a POD to complete. You should ensure that you also provide documentation to support your claim.

If you have already lodged a POD in this external administration, you do not need to lodge another one.

The external administrator must also provide you with enough information for you to be able to make an informed decision on how to cast your vote on the proposal. With some types of proposals, the law or ARITA's Code of Professional Practice sets requirements for the information that you must be provided.

For example, if the external administrator is asking you to approve remuneration, you will be provided with a Remuneration Approval Report, which will provide you with detailed information about how the external administrator's remuneration for undertaking the external administration has been calculated.

What are your options if you are asked to vote on a proposal without a meeting?

You can choose to vote yes, no or object to the proposal being resolved without a meeting.

How is a resolution passed?

A resolution will be passed if more than 50% in number and 50% in value (of those creditors who did vote) voted in favour of the proposal, but only so long as not more than 25% in value objected to the proposal being resolved without a meeting.

What happens if the proposal doesn't pass?

If the proposal doesn't pass and an objection is not received, the external administrator can choose to amend the proposal and ask creditors to consider it again or the external administrator can choose to hold a meeting of creditors to consider the proposal.

The external administrator may also be able to go to Court to seek approval.

What happens if I object to the proposal being resolved without a meeting?

If more than 25% in value of creditors responding to the proposal object to the proposal being resolved without a meeting, the proposal will not pass even if the required majority vote yes. The external administrator will also be unable to put the proposal to creditors again without a meeting.

You should be aware that if you choose to object, there will be additional costs associated with convening a meeting of creditors or the external administrator seeking the approval of the Court. This cost will normally be paid from the available assets in the external administration.

This is an important power and you should ensure that it is used appropriately.

Where can I get more information?

The Australian Restructuring Insolvency and Turnaround Association (ARITA) provides information to assist creditors with understanding external administrations and insolvency.

This information is available from ARITA's website at artia.com.au/creditors.

ASIC also provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at asic.gov.au (search for "insolvency information sheets").

Initial Remuneration Notice

INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50
Insolvency Practice Rules (Corporations) 70-35

Date: 15 August 2025

JAGA Medical Supplies Pty Ltd (In Liquidation)
ACN 656 779 118 ("JAGA")
#TheVine Pty Ltd (In Liquidation)
ACN 652 905 747 ("Vine")
("the Companies")

The purpose of the Initial Remuneration Notice is to provide you with information about how our remuneration for undertaking the Liquidations will be set.

A REMUNERATION METHOD

There are four methods for calculation of remuneration that can be used to calculate the remuneration of an Insolvency Practitioner. They are:

- Time-based / hourly rates or "Time Cost"

This is the most common method. It provides for remuneration to be charged at an hourly rate for each person working on the matter. The hourly rate charged will reflect the level of experience each person has.

- Fixed Fee

The total remuneration for the administration is quoted at commencement of the appointment and is the total charge for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.

- Percentage

The remuneration for the appointment is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.

- Contingency

The total remuneration for the matter is structured to be contingent on a particular outcome being achieved.

B METHOD CHOSEN

Given the nature of this administration, we propose that my remuneration be calculated on the time-based / hourly rates method. In my opinion, this is the fairest method for the following reasons:

- We will only be paid for work done, subject to sufficient realisations of the Companies assets.

- It ensures creditors are only charged for work that is performed. Our time is recorded and charged in six-minute increments and staff are allocated to duties according to their relevant experience and qualifications.
- We are required to perform a number of tasks which do not relate to the realisation of assets, including responding to creditor enquiries, reporting to the ASIC, and distributing funds in accordance with the provisions of the Corporations Act 2001.

We are unable to advise with certainty the total amount of fees necessary to complete all tasks required in this administration. BRI Ferrier reviews its hourly rates every twelve months. The hourly rates quoted below remain current until further notice. At this time BRI Ferrier may increase the hourly rates charged for work performed past that date. If hourly rates are increased, we will seek approval from creditors.

C EXPLANATION OF HOURLY RATES

The rates applicable are set out in the table below together with a general guide to the qualifications and experience of staff engaged in administration and the role they undertake in the administration. The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage rate.

Title	Description	Hourly Rate (ex GST) 1 July 25

D ESTIMATE OF COST

We estimate that the liquidation of JAGA may cost up to \$50,440 (plus GST) to complete.

We estimate that the liquidation of Vine may cost up to \$48,061 (plus GST) to complete.

The above costs are subject to the following variables, which may have a significant effect on these estimates and that we are unable to determine until we have progressed further in the liquidations:

- ▲ Information provided to me before appointment about the Companies assets, its liabilities and its trading performance is substantially accurate;
- ▲ The records of the Companies are made available in a form permitting examination and investigation;
- ▲ All property of the Companies is surrendered to us upon appointment;
- ▲ All relevant officers comply with their statutory duties to provide information about the Companies affairs;
- ▲ The legal matters currently on foot are settled in a short period of time or are stayed permanently;
- ▲ No appointment is made by a secured creditor; and
- ▲ There is no dispute in respect of any priority and/or secured creditor claims.

This estimate is based on the information available to date. Should any of the above circumstances change, we believe that costs will likely increase from our estimate above.

E DISBURSEMENTS

Disbursements are divided into three types:

- ▲ Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- ▲ Externally provided non-professional costs such as travel, accommodation and search fees. These are recovered at cost.

- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally be charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

We are not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, we must be satisfied that these disbursements are appropriate, justified and reasonable.

We are required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve my internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements in this administration are provided below.

Disbursement Type	Rate (excl GST)
Externally provided professional services	At cost
Externally provided non-professional costs	At cost
Internal disbursements	
ASIC Charges for Appointments and Notifiable Events	At cost
Faxes and Photocopying	\$0.25 per page
Postage	At cost
Staff vehicle use	In accordance with ATO mileage allowances

1. EXECUTIVE SUMMARY

We are asking creditors to approve our remuneration of \$50,440.00 (excl. GST) and disbursements of \$1,000.00.

Details of remuneration and disbursements can be found in section 3 and 4 of this report.

We are asking creditors to approve my remuneration via a proposal without a meeting.

We estimate the total cost of this Liquidation will be approximately \$51,440.00 (excl. GST).

2. DECLARATION

We, Peter Krejci and Jonathon Keenan of BRI Ferrier, have undertaken an assessment of this remuneration and disbursement claim in accordance with the law and applicable professional standards. We are satisfied that the remuneration and disbursements claimed are necessary and proper.

We have reviewed the work in progress report for the Liquidation to ensure that remuneration is only being claimed for necessary and proper work performed and no adjustment was necessary.

3. REMUNERATION SOUGHT

The remuneration we are asking creditors to approve is as follows:

For	Period	Amount \$ (excl. GST)	Rates	When it will be drawn
Current Work	18 July 2025 to 10 August 2025	\$10,440	Provided in our Initial Remuneration Notice dated 15 August 2025	It will be drawn when approved and funds are available
Future Work	11 August 2025 to Conclusion	\$40,000	Provided in our Initial Remuneration Notice dated 15 August 2025	It will be drawn when approved and funds are available, and it is incurred
TOTAL		\$50,440 (excl. GST)		

Details of work completed for the period 18 July 2025 to 10 August 2025 and future work to be undertaken for the period 11 August 2025 to conclusion are included in **Schedule A**.

Schedule B includes a breakdown of time spent by staff members on each major task for completed work.

Actual resolutions to be put to creditors by way of a proposal are included at **Schedule C** for your information. These resolutions also appear in the proposal without a meeting form provided to you.

4. LIKELY IMPACT ON DIVIDENDS

The Joint and Several Liquidators are entitled to be fairly remunerated for undertaking statutory and other duties, including reporting obligations in acting as an external administrator. The remuneration and disbursements of the Joint and Several Liquidators have a priority ranking ahead of creditors.

We are unable to pay our remuneration without the approval of the Committee of Inspection, Creditors, or the Court. Approval by Creditors is efficient and timely and less costly than an application to the Court.

However, any dividend will ultimately be impacted by the realisations achieved by the Liquidator and the value of creditor claims admitted to participate in the dividend. The likely impact of approval of remuneration and disbursements on dividends to creditors is that it will reduce such dividends.

5. SUMMARY OF RECEIPTS & PAYMENTS

A summary of the receipts and payments for the Liquidation as of 15 August 2025 is attached to the Report.

6. QUERIES & INFORMATION SHEET

[This area is intentionally left blank]

SCHEDULE D – DISBURSEMENTS

Disbursements are divided into three types:

- Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- Externally provided non-professional costs such as travel, accommodation, and search fees. These are recovered at cost.
- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally charge at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

We advise that to date, we have not paid any disbursements incurred during this Liquidation by our Firm.

We are not obliged to seek creditor approval for disbursements paid to third parties, but must account to creditors, this includes providing details of the basis of charging for these types of disbursements to creditors as part of the Remuneration Approval Report.

We are required to seek creditor approval for internal disbursements where there could be a profit or advantage. Accordingly, we will be seeking approval from creditors for **Resolution 3**, of which details are provided in **Schedule C** of this Remuneration Approval Report.

Future disbursements provided by our Firm will be charged to the administration on the following basis:

Disbursement Type	Rate (excl GST)
Externally provided professional services	At cost
Externally provided non-professional costs	At cost
Internal disbursements	
ASIC charges for appointments and notifiable events	At cost
Faxes and Photocopying	\$0.25 per page

1. EXECUTIVE SUMMARY

We are asking creditors to approve my remuneration of \$48,061.00 (excl. GST) and disbursements of \$1,000.00.

Details of remuneration and disbursements can be found in section 3 and 4 of this report.

We are asking creditors to approve my remuneration via a proposal without a meeting.

We estimate the total cost of this Liquidation will be approximately \$49,061.00 (excl. GST).

2. DECLARATION

We, Peter Krejci and Jonathon Keenan of BRI Ferrier, have undertaken an assessment of this remuneration and disbursement claim in accordance with the law and applicable professional standards. We are satisfied that the remuneration and disbursements claimed are necessary and proper.

We have reviewed the work in progress report for the Liquidation to ensure that remuneration is only being claimed for necessary and proper work performed and no adjustment was necessary.

3. REMUNERATION SOUGHT

The remuneration we are asking creditors to approve is as follows:

For	Period	Amount \$ (excl. GST)	Rates	When it will be drawn
Current Work	23 July 2025 to 10 August 2025	\$8,061	Provided in our Initial Remuneration Notice dated 15 August 2025	It will be drawn when approved and funds are available
Future Work	11 August 2025 to Conclusion	\$40,000	Provided in our Initial Remuneration Notice dated 15 August 2025	It will be drawn when approved and funds are available, and it is incurred
TOTAL		\$48,061 (excl. GST)		

Details of work completed for the period 23 July 2025 to 10 August 2025 and future work to be undertaken for the period 11 August 2025 to conclusion are included in **Schedule A**.

Schedule B includes a breakdown of time spent by staff members on each major task for completed work.

Actual resolutions to be put to creditors by way of a proposal are included at **Schedule C** for your information. These resolutions also appear in the proposal without a meeting form provided to you.

4. LIKELY IMPACT ON DIVIDENDS

The Joint and Several Liquidators are entitled to be fairly remunerated for undertaking statutory and other duties, including reporting obligations in acting as an external administrator. The remuneration and disbursements of the Joint and Several Liquidators have a priority ranking ahead of creditors.

We are unable to pay our remuneration without the approval of the Committee of Inspection, Creditors, or the Court. Approval by Creditors is efficient and timely and less costly than an application to the Court.

However, any dividend will ultimately be impacted by the realisations achieved by the Joint and Several Liquidators and the value of creditor claims admitted to participate in the dividend. The likely impact of approval of remuneration and disbursements on dividends to creditors is that it will reduce such dividends.

5. SUMMARY OF RECEIPTS & PAYMENTS

A summary of the receipts and payments for the Liquidation as of 15 August 2025 is attached to the Report.

6. QUERIES & INFORMATION SHEET

If you have any queries in relation to the information in this report, please contact my office.

You can also access information which may assist you on the following websites:

- ▲ ARITA at www.arita.com.au/creditors
