This Report and the Notice of Appointment and First Meeting of Creditors advises of our appointment and explains the first stages of the VA.

The Concurrent First Meetings of the Creditors of the Companies will be held on **Friday, 17 October 2025 at 11:00AM (AEDT)**. The notice is attached as **Annexure “1”**. The meeting will be held in our offices with virtual meeting technology also made available should creditors wish to attend the meeting virtually. Details to access the virtual meeting will be provided to those who have substantiated their claim by providing a completed Proof of Debt form (**Annexure “2”**) and a Proxy Form, if required.

The Administrators are in control of the Companies, and we are conducting an urgent assessment and set out our preliminary understanding below.

### 1.1 BACKGROUND

The Companies operate as a rail maintenance and asset-optimisation business specialising in the remediation, overhaul and life-extension of rolling-stock components, including braking systems, HVAC systems, door systems, dampers & suspension, and air generation & treatment units.

The Companies’ principal trading premises and workshop are at Unit 2, 56–58 Jemma Road, Prestons NSW 2170. They also operate a smaller workshop at 14 Curie Court, Seaford VIC 3198. In addition to the NSW and VIC Premises, the Companies also maintain a presence in New Zealand (Upper Hutt, Wellington) and Malaysia (Kuala Lumpur) via wholly owned subsidiaries.

We are currently continuing to manage the ongoing trading of the business. In the coming weeks, we will be conducting an investigation into the affairs of the Companies, including a review of the Companies financial operations, reviewing the options available to the Companies and their creditors, including any potential proposal for a DOCA.

We note that a DOCA can be proposed by any party, including creditors of the Companies. Therefore, we invite any interested parties to contact our office promptly should they wish to formulate a proposal. Any proposal should be submitted as soon as possible.

### 1.2 FIRST MEETING OF CREDITORS

The Concurrent First Meeting of the Creditors of the Companies will be held on Friday 17 October 2025 at 11:00AM (AEDT). The notice is attached as **Annexure “1”**. The meeting will be held in our offices with virtual meeting technology also made available should creditors wish to attend the meeting virtually.

Details to access the virtual meeting will be provided to those who have substantiated their claim by providing a completed Proof of Debt form (**Annexure “2”**) and if relevant, a Proxy Form (**Annexure “3”**). Please note that corporate creditors will need to appoint an individual to represent them at the meeting.

Please find further details in relation to the meeting provided in the table below:

## 2 EFFECT OF ADMINISTRATION ON CREDITORS

### 2.1 TRADE CREDITORS

The Companies are continuing to trade on a limited basis in order to preserve the value in the assets and business. As the Companies are now in Administration, all costs incurred by the business need to be authorised by the Administrators in order for payment to be made.

All claims against the Companies in respect of goods and/or services provided to the Companies prior to our appointment are effectively frozen as at the date of our appointment.

Please contact Mr Philip McClymont [pmcclymont@brifnsw.com.au](mailto:pmcclymont@brifnsw.com.au) from our office for instructions regarding the continued supply of services. We will not accept responsibility or any liability in respect of any goods or services provided after the date of our appointment unless express written authorisation has been given by us. Please refer to **Annexure "8"** for a list of specimen authorised signatures.

### 2.2 EMPLOYEES

Based on the records available to date, it is understood the Companies employed approximately 20 employees, primarily on a fulltime basis.

Employees have a statutory priority of payment in respect of outstanding entitlements, such as superannuation, annual leave, long service leave and redundancy (to the extent applicable). Should the Companies ultimately be placed into Liquidation, then the Federal Government FEG scheme is available.

FEG is administered by the Department of Employment and Workplace Relations (DEWR) for eligible employees who have been terminated as a result of their employer's insolvency and are owed entitlements. The FEG scheme is not available in a DOCA scenario.

For an employee to be eligible to claim outstanding entitlements under FEG:

- They must be an Australian Citizen or Permanent Resident (contact FEG for further details); and
- The end of their employment must be due to the insolvency of the employer; or have occurred less than six (6) months before the appointment of an insolvency practitioner; or occurred on or after the appointment of an insolvency practitioner.

Employees may submit claims in respect of the following entitlements, provided they are entitled to claim under their respective industrial instrument, contract of employment or by any other means:

- Up to thirteen (13) weeks unpaid wages for the period ending at the earlier of the date on which employment ended or the appointment of an insolvency practitioner;
- Unpaid annual leave and long service leave;
- Up to a maximum of five (5) weeks unpaid payment in lieu of notice;
- Up to a maximum of four (4) weeks redundancy entitlement for each completed year of service.

In calculating employee entitlements payable under the scheme, the maximum annual wage applies.

FEG will not cover:

- Outstanding superannuation entitlements;
- Entitlements such as rostered days off unless the relevant legislation, award, statutory agreement or written contract of employment provides they are payable upon termination of employment; and
- Employee entitlements of the Directors and related party Creditors.

Should you wish to obtain further information, FEG may be contacted on 1300 135 040. Alternatively, you may visit their website at: <https://fegonlineservices.dewr.gov.au/>

## 2.3 LANDLORD AND OTHER LEASED GOODS

While the Companies are in Administration, a moratorium is imposed on all debts outstanding as at the date of our appointment. This extends to amounts outstanding to landlords of any premises leased by the Companies.

Pursuant to Section 443B of the Act, the Administrators are not liable for rental or lease payments on goods or property for the first five (5) business days of the administration.

At this stage, the Companies will continue to occupy the Prestons NSW premises during the Administration period unless it becomes uncommercial that they continue to do so. In relation to the Seaford Vic premises, it is expected they these will likely be vacated in the near term. We will be liaising with both landlords regarding the Companies ongoing use of the respective premises.

## 2.4 SECURED CREDITORS AND SECURITY INTERESTS

A search of the PPSR for the Companies as at the date of this Report indicates the following security interests registered against the Companies respectively;

- No security interests over Trovon Global Pty Ltd (Administrators Appointed)
- 17 security interests over Trovon (Australia) Pty Ltd (Administrators Appointed)

Pursuant to Section 443B of the Act, the Administrators are not liable for rental or lease payments on goods or property for the first five (5) business days of the administration.

We have written to each of the secured parties requesting details of the security including the any amounts owed by the Companies. We ask all lessors and hirers to contact our office to discuss the effect of our appointment further.

## 2.5 LEGAL ACTIONS AGAINST THE COMPANIES

Pursuant to s440D of the Act, upon our appointment all proceedings are automatically stayed. Creditors cannot commence or continue proceedings against the Companies without our written consent or without leave of the Court.

We are not aware that the Companies is involved in any legal proceedings.

## 3 DECLARATION OF INDEPENDENCE, RELEVANT RELATIONSHIPS & INDEMNITIES

Declaration of Independence, Relevant Relationship and Indemnities pursuant to Section 436DA is attached as **Annexure “4”**. This document records that we took a proper assessment of the risks to our independence prior to accepting our appointments.

## 4 LIKELY RETURN TO CREDITORS

Due to the limited information received to date and the early stages of this administration process, we are not in a position to comment on the likelihood of return to creditors.

At this early stage, we have not received any DOCA proposals and therefore cannot comment on how that may affect any returns. Further enquiries will be made into the estimated return to creditors and will be reported to creditors in our Second Report.

## 5 EXPLANATION OF THE ADMINISTRATION PROCESS

Generally, two meetings of creditors are held during a VA. The purposes of the meetings are as follows.

### 5.1 FIRST MEETINGS OF CREDITORS

This meeting will determine:

- whether to appoint committees of inspection; and
- if so, who are to be the committees’ members.

At this meeting, creditors may also, by resolution:

- remove the Joint and Several Administrators from office; and
- appoint someone else as Administrator(s) of the Companies.

The First Meeting is required to be held within eight (8) business days after appointment. It is not possible to provide creditors with a detailed analysis of the Companies’ affairs within this time.

## 5.2 SECOND REPORT TO CREDITORS

Following a preliminary investigation into the Companies' affairs, we will convene the Second Meeting of Creditors, known as the "decision meeting". When giving Notice of that meeting, we will also send you a Second Report to Creditors under Rule 75-225 of the *Insolvency Practice Rules (Corporations)*. The Notice and Report will be sent at least five (5) business days before the Second Meetings of Creditors.

Normally that Report covers such issues as:

- Assessment of the Companies' financial position and the estimated value of asset realisations;
- Comparison of realisations under any DOCA (if proposed) as against Liquidation;
- Review of the conduct of the Companies' business including consideration of antecedent/voidable transactions which may be able to be overturned should a Liquidator be appointed; and
- Consideration of insolvent trading by the officer of the Companies and other recoveries potentially available to a Liquidator.

In the Report, we are further required to recommend whether it is in the creditors' interests that:

- An arrangement be entered into between Creditors and the Companies (in the form of a DOCA); or
- The Administrations should end; or
- The Companies should be wound up (placed in Liquidation).

Should any creditor or interested party wish to submit a proposal for a DOCA, please contact us immediately.

The purpose of this document is to assist creditors with understanding any relevant relationships that we, the Joint and Several Administrators, have with parties who are closely connected to Trovon Group Pty Ltd (Administrators Appointed) ACN 647 898 824 (“Trovon Group”) and Trovon (Australia) Pty Ltd (Administrators Appointed) ACN 647 971 597 (“Trovon Australia”) (collectively “the Companies”) and any indemnities or upfront payments that have been provided to us. None of the relationships disclosed in this document are such that our independence is affected.

This information is provided so you have trust and confidence in our independence and, if not, you can ask for further explanation or information and can act to remove and replace us if you wish.

This declaration is made in respect of ourselves, our partners and BRI Ferrier network.

We are Professional Members of ARITA – Australian Restructuring Insolvency and Turnaround Association. We acknowledge that we are bound by the ARITA Code of Professional Practice.

## A. INDEPENDENCE

We, Andrew Cummins and Peter Krejci, of BRI Ferrier have assessed our independence prior to accepting the appointment as Joint and Several Deed Administrators of the Companies in accordance with the law and applicable professional standards and we are not aware of any reasons that would prevent us from accepting this appointment.

There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those we have disclosed in this document.

## B. CIRCUMSTANCES OF APPOINTMENT

### I. HOW WE WERE REFERRED THIS APPOINTMENT

This appointment was referred to us by Mr John Marinos. Mr Marinos is one of the directors of Trovon Group and the sole director of Trovon Australia. The reasons we believe that this relationship does not result in us having a conflict of interest or duty are:

- Mr Marinos has not previously referred any insolvency type matters to our firm.
- There is no expectation, agreement or understanding between us and Mr Marinos regarding the conduct of the Administrators and we are free to act independently and in accordance with the law and applicable professional standards.

### II. DID WE MEET WITH THE COMPANY, THE DIRECTOR OR THEIR ADVISORS BEFORE WE WERE APPOINTED?

☒ Yes ☐ No

We have engaged in various discussions regarding the potential appointment, as detailed below:

- On 24 September 2025 Mr Krejci had a telephone call with the director wherein it was disclosed that the Companies may require a Voluntary Administrator to be appointed. A background to the Companies was provided by Mr Marinos which concluded with the possibility of securing liquidity such that an appointment to the Companies could be avoided.
- On 30 September 2025 a further telephone call took place between Mr Krejci and the director the purpose of which was to arrange a meeting to be held on 1 October 2025.
- On 1 October 2025, Mr Krejci and Mr Cummins met with Mr Marinos, Mr Michael Vardavas and Mr Daniel Fah to receive a more detailed background on the Companies including their respective financial affairs. The discussion also covered various options to restructure the Companies and its related entity Trovon (New Zealand) Ltd, incorporated and trading in New Zealand.
- On 2 and 3 October 2025, there were various email exchanges between Mr Marinos and Mr Cummins. The purpose of these email exchanges was to share the background information of the Companies and to provide Mr Marinos with the appointment documents.

Neither of us, nor our firm have received any remuneration for the abovementioned correspondence and advice.

In our opinion, the above does not affect our independence for the following reasons:

- The Courts and the ARITA COPP specifically recognise the need for practitioners to provide advice on the insolvency practice and the options available and do not consider that such advice in a conflict or is an impediment to accepting the appointment.

We have provided no other information or advice to the Companies, its Directors or advisors prior to our appointment beyond that outlined in this DIRRI.

## C. RELEVANT RELATIONSHIPS (EXCLUDING PROFESSIONAL SERVICES TO THE INSOLVENT)

Within the previous two years, we, or members of our firm, have, or have had a relationship with:	
The Companies	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
The Directors?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Any associates of the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

**Within the previous two years, we, or members of our firm, have, or have had a relationship with:**

Any associates of the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A former insolvency practitioner appointed to the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company' property?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

**Do we have any other relationships that we consider are relevant to creditors assessing our independence?**

☒ Yes ☐ No

**Australian Taxation Office**

The records identify that the ATO is a creditor of the Companies.

The ATO is a sophisticated statutory creditor and is administratively bound to act as a Model Litigant. In our experience the ATO does not seek to exert improper pressure on insolvency practitioners in connection with the discharge of their duties to creditors generally.

Principals and Directors of BRI Ferrier around Australia, were, until its expiration at the end of 2014, members of a panel of Official Liquidators established by the ATO and accepted appointments by Australian Courts initiated by the Federal Commissioner. These Official Liquidators had undertaken to the ATO to accept appointments as Liquidator appointed by a Court under the Corporations Act where the ATO is the applicant creditor, whether the Companies has assets or not. BRI Ferrier is likely to seek inclusion in any comparable panel should one be established in future. Membership of the panel was not conditional upon any preference or benefit being conferred upon the ATO.

### Do we have any other relationships that we consider are relevant to creditors assessing our independence?

In addition to the above, we also note that Principals of BRI Ferrier routinely accept nominations and appointment as insolvency practitioners by the major trading banks, in addition to creditors such as the ATO (as discussed above). The nature of these relationships varies over time depending on the nature of the engagements. Such relationships do not impede our independence or give rise to a conflict of duties because we accept such engagements only on the basis that our independence will be maintained and the relationships are maintained on professional commercial terms.

#### **Trovon Group and Trovon Australia**

In respect of our appointment to both Trovon Group and Trovon Australia, we believe that this relationship does not result in a conflict of interest or duty.

At the time of our appointment, we are not aware of any conflicts between the Companies. Should a conflict arise, we will keep creditors informed and take appropriate action to resolve the conflict, including potentially appointing a Special Purpose Administrator / Liquidator.

There is no contest by the Director on the amounts reported as owed, however the dealings in particular, the transfer of assets is an important aspect of the administrations and will be investigated.

Appointment to group and/or related parties are allowed under the COPP and should generate efficiencies in conducting the appointment. This is particularly relevant given the mixing of the financial and operational matters between the Companies.

The affairs of the Companies are closely linked given the group operation, and therefore the appointment to multiple entities will assist in seeking to maximise the outcomes for creditors.

The role undertaken by us as Joint and Several Voluntary Administrators of the Companies will not influence our ability to fully comply with the statutory and fiduciary obligations associated the administration of the Companies in an objective and impartial manner.

### III. NO OTHER RELEVANT RELATIONSHIPS TO DISCLOSE

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Companies, an associate of the Companies, a former insolvency practitioner appointed to the Companies or any person or entity that has a valid and enforceable security interest on the whole or substantially whole of the Companies' properties that should be disclosed.

### D. INDEMNITIES AND UP-FRONT PAYMENTS

We have not been indemnified in relation to this administration, other than any indemnities that we may be entitled to under statute, and have not received any up-front payments.

This does not include any indemnities we may be entitled to under the law. We have not received any other indemnities or upfront payments.

**NOTE:**

- 1. The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional Standards.*
- 2. If circumstances change, or new information is identified, we are required under the Corporations Act 2001 and ARITA's Code of Professional Practice to update this Declaration and provide a copy to creditors with our next communication as well as table a copy of any replacement declaration at the next meeting of the insolvent's creditors. For creditors' voluntary liquidations and voluntary administrations, this document and any updated versions of this document are required to be lodged with ASIC.*

Initial Remuneration Notice**

## INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50  
Insolvency Practice Rules (Corporations) 70-35

**ACN 647 898 824 / ABN 41 647 898 824**

**TROVON (AUSTRALIA) PTY LTD (ADMINISTRATORS APPOINTED)**  
**ACN 647 971 597 / ABN 14 647 971 597**

**(“THE COMPANIES”)**

The purpose of the Initial Remuneration Notice is to provide you with information about how our remuneration for undertaking the Administrations will be set.

### A. REMUNERATION METHOD

There are four methods for calculation of remuneration that can be used to calculate the remuneration of an Insolvency Practitioner. They are:

- ▶ Time based / hourly rates or “Time Cost”

This is the most common method. It provides for remuneration to be charged at an hourly rate for each person working on the matter. The hourly rate charged will reflect the level of experience each person has.

- ▶ Fixed Fee

The total remuneration for the Administrations are quoted at commencement of the appointment and is the total charge for the Administrations. Sometimes a practitioner will finalise an administration for a fixed fee.

- ▶ Percentage

The remuneration for the appointment is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.

- ▶ Contingency

The total remuneration for the matter is structured to be contingent on a particular outcome being achieved.

### B. METHOD CHOSEN

BRI Ferrier normally charges to use a Time Cost basis, because:

- ▶ It is often difficult to estimate accurately the likely cost of undertaking an appointment, as appointments differ in unforeseeable ways as to their factual or legal complexity;

- The Time Cost method reflects the opportunity cost to BRI Ferrier of the use of staff on a particular engagement;
- The Time Cost method reflects the extent of work undertaken, reflecting in turn the nature of the appointment;
- The Time Cost method can be applied equally to all aspects of an appointment, while percentage or contingent remuneration normally only reflect parts of an appointment, such as the recovery of assets. Our duties include activities, such as reporting to creditors and ASIC, that do not directly yield asset recovery, while contributing to the overall return to creditors.

BRI Ferrier reviews its hourly rates every twelve months. The hourly rates quoted below remain current. BRI Ferrier may increase the hourly rates charged for work performed and if hourly rates are increased, we will seek creditors' approval.

### C. EXPLANATION OF HOURLY RATES

The rates applicable are set out in the table on the following page together with a general guide to the qualifications and experience of staff engaged in the Administrations and the role they undertake in the Administrations. The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage rate.

## D. ESTIMATED REMUNERATION

At this initial stage, we estimate that the administration process (exclusive of GST, disbursements and legal costs, as necessary) for each of these Companies are estimated as follows:

- Trovon Global Pty Ltd – Approximately \$50,000
- Trovon (Australia) Pty Ltd – Approximately \$150,000

However, the actual work required and associated costs, will not be known until the matter progresses. This initial estimate is also based on a number of assumptions, including:

- Information provided to us before appointment about the Companies' assets, its liabilities and its trading performance is substantially accurate;
- The records of the Companies are made available immediately on our appointment in a form permitting examination and investigation;
- There are minimal disputes with third parties in respect of property, equipment and materials;
- All relevant officers comply with their statutory duties to provide information about the Companies' affairs;
- There is no, or minimal, disputes regarding the conduct of the administration, adjudication of claims and dealing with the Companies' assets;
- There is prompt engagement regarding a viable DOCA proposal;
- The Administration period does not need to be extended; and
- There will be no actions requiring the commencement of legal proceedings.

Should any of the above circumstances change, then we believe that costs will likely increase from our estimate above. However, as mentioned previously, actual remuneration sought to be approved may exceed this estimate and this higher amount must be approved by the Creditors, Committee of Inspection or Court.

We also note that this estimate relates only to the conduct of a Voluntary Administration, and does not relate to any later Administration of a Deed of Company Arrangement or Liquidation for the Company.

## E. DISBURSEMENTS

Disbursements are divided into three types:

- Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- Externally provided non-professional costs such as travel, accommodation and search fees. These are recovered at cost.
- Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Administrations, would generally charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

We are not required to seek creditor approval for disbursements paid to third parties, but must account to creditors. However, we must be satisfied that these disbursements are appropriate, justified and reasonable.

We are required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve our internal disbursements prior to these disbursements being paid from the Administrations.

Details of the basis of recovering disbursements in these Administrations are provided below.

Disbursement Type	Rate (excl. GST)
Externally provided professional services	At cost
Externally provided non-professional costs	At cost
Internal disbursements	
ASIC Charges for appointments and notifiable events	At cost
Faxes and Photocopying	\$0.25 per page
Postage	At cost
Staff vehicle use	In accordance with ATO mileage allowance

Dated this 9<sup>th</sup> October 2025.

Information Sheets  
Creditors Rights**

# Creditor Rights in Voluntary Administrations

As a creditor, you have rights to request meetings and information or take certain actions:

## Right to request information

Information is communicated to creditors in a voluntary administration through reports and meetings.

In a voluntary administration, two meetings of creditors are automatically held. You should expect to receive reports and notice of these meetings:

- The first meeting is held within 8 business days of the voluntary administrator's appointment. A notice of meeting and other information for this meeting will be issued to all known creditors.
- The second, or decision, meeting is usually held within 6 weeks of the appointment, unless an extension is granted. At this meeting, creditors will get to make a decision about the company's future. Prior to this meeting the voluntary administrator will provide creditors with a notice of the meeting and a detailed report to assist in making your decision.

Important information will be communicated to creditors prior to and during these meetings. Creditors are unable to request additional meetings in a voluntary administration.

Creditors have the right to request information at any time. A voluntary administrator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the voluntary administration, and the provision of the information would not cause the voluntary administrator to breach their duties.

A voluntary administrator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the voluntary administrator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

## Requests must be reasonable.

### They are not reasonable if:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) the information requested would be privileged from production in legal proceedings
- (c) disclosure would found an action for breach of confidence
- (d) there is not sufficient available property to comply with the request
- (e) the information has already been provided
- (f) the information is required to be provided under law within 20 business days of the request
- (g) the request is vexatious

If a request is not reasonable due to (d), (e) or (f) above, the voluntary administrator must comply if the creditor meets the cost of complying with the request.

Otherwise, a voluntary administrator must inform a creditor if their information request is not reasonable and the reason why.

## Right to give directions to voluntary administrator

Creditors, by resolution, may give a voluntary administrator directions in relation to a voluntary administration. A voluntary administrator must have regard to these directions, but they are not required to comply with the directions.

If a voluntary administrator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons for not complying.

An individual creditor cannot provide a direction to a voluntary administrator.

## Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a voluntary administrator's remuneration or a cost or expense incurred in a voluntary administration. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the voluntary administration, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the voluntary administrator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

## Right to replace voluntary administrator

At the first meeting, creditors have the right to remove a voluntary administrator and appoint another registered liquidator to act as voluntary administrator.

A creditor must ensure that they have a consent from another registered liquidator prior to the first meeting if they wish to seek the removal and replacement of a voluntary administrator.

Creditors also have the opportunity to replace a voluntary administrator at the second meeting of creditors:

- If creditors vote to accept a proposed deed of company arrangement, they can appoint a different registered liquidator as the deed administrator.
- If creditors vote to place the company into liquidation, they can appoint a different registered liquidator as the liquidator.

It is however usual for the voluntary administrator to act as deed administrator or liquidator. It would be expected that additional costs would be incurred by an alternate deed administrator or liquidator to gain the level of knowledge of the voluntary administrator.

Like with the first meeting, a creditor must ensure that they have a consent from another registered liquidator prior to the second meeting if they wish to seek to appoint an alternative registered liquidator as deed administrator or liquidator.
