1 DISCLAIMER

A preliminary investigation of the Company's affairs has been conducted and this report and the statements made herein have been prepared based upon available books and records and from my own enquiries.

Whilst I have no reason to doubt the accuracy of the information provided or contained herein, I reserve the right to alter my opinions or conclusions should the underlying data prove to be inaccurate or materially change after the date of this report.

Neither I, nor any member or employee of BRI Ferrier accepts responsibility in any way whatsoever to any person in respect of any errors in this report arising from incorrect information provided to me, or necessary estimates and assessments made for the purposes of the report.

This report is not for general circulation, publication, reproduction, or any use other than to assist creditors in evaluating their position as creditors of the Company and must not be disclosed without the prior approval of the Liquidator.

Creditors should consider seeking their own independent legal advice as to their rights and options available to them.

Should any creditor have material information in relation to the Company's affairs which they consider may impact on my investigations or report, please forward details in writing as soon as possible.

2 EXECUTIVE SUMMARY

I was appointed Liquidator of Faithful on 4 December 2025, pursuant to an Order of the Supreme Court of NSW on an application brought by Faithful's shareholder, Wonderful Pty Limited.

This report has been prepared pursuant to Insolvency Practice Rule 70-30 of the Act. You have received this Report because I am aware that you may have a creditor claim and/or the limited books and records available identified you as a creditor.

My investigations to date into Faithful's affairs are preliminary and a more detailed report will be provided to creditors within three months. My findings will be reported to ASIC in due course.

I provide herein a brief overview of Faithful's affairs as presently known to me at this time.

- Faithful was incorporated in April 2002 Yin Ling Kam (Ms Wong), Choi Kook Fun Lui (Ms Lui) and Chi Oh Kam (Mr Kam). Ms Wong and Ms Lui acted as the Directors of the Company. The Company also operated as trustee of the Faithful Unit Trust.
- The shareholders of Faithful, unit holders of the Trust and their allotted units are as follows:
 - Wonderful, an entity controlled by the Wongs – 30%;
 - Sandu Pty. Limited, an entity controlled by the Luis – 65%;

4.2 LANDLORDS/LESSORS

Whilst the Company is in Liquidation, a moratorium is imposed on all debts outstanding as at the date of my appointment. This extends to amounts outstanding to equipment lessors and landlords of any premises leased by the Company.

I am not aware of any amounts owed to landlords or lessors in respect of leased equipment.

4.3 EMPLOYEES

As at the date of this report, I am not aware of the Company engaging employees.

To the extent there are outstanding employee entitlements owed by the Company, there is a statutory priority of payment in respect of outstanding entitlements such as wages, superannuation, annual leave, long service leave, payment in lieu of notice and redundancy.

In the event that there are insufficient funds to pay a dividend to priority (employee) creditors in a winding up, employees (excluding the Directors and related parties) may lodge a claim under the FEG scheme with the DEWR in respect of certain entitlements that they are owed, subject to them meeting the eligibility requirements of the FEG scheme. FEG does not pay outstanding superannuation.

The FEG scheme is administered by the DEWR for eligible employees who have been terminated from their employment as a result of their employer's insolvency and are owed entitlements.

In order for an employee to be eligible to claim outstanding entitlements under the FEG scheme, one of the following conditions must be met:

- The employee is terminated on or after the appointment of an insolvency practitioner; or
- The employee is terminated by the Company within six (6) months of the appointment of an insolvency practitioner; or
- The termination is due to the insolvency of the employer.

Claims may be submitted in respect of the following entitlements set out below up to the maximum thresholds, provided they are so entitled under their respective industrial instrument/contract of employment to claim:

- Up to 13 weeks of unpaid or underpaid wages;
- Unpaid annual leave and long service leave;
- Up to a maximum of five weeks unpaid payment in lieu of notice; and
- Up to a maximum of four weeks redundancy entitlement for each completed year of service.

FEG will not cover:

- Outstanding superannuation entitlements;
- Entitlements such as rostered days off, unless the relevant legislation, award, statutory agreement, or written contract of employment provides they are payable upon termination of employment; and
- Employee entitlements of directors and related party creditors.

Claims must be lodged no more than 12 months after the later of the date of termination of employment or the date of the insolvency event. Directors who are also employees of the company, or relatives of a director of the employer company, at any time in the 12 months before the insolvency event are not eligible.

Further information in relation to the FEG scheme may be obtained using the following hyperlink: <https://fegonlineservices.dewr.gov.au/>

Any person claiming to be a creditor of the Company in respect of outstanding employee entitlements should notify Sushma Mandira of this office without delay.

A distribution will only be paid in respect of superannuation if there are sufficient realisations from the Liquidation.

4.4 SECURED CREDITORS AND SECURITY INTERESTS

A search of the Personal Property Securities Register (“PPSR”) as at the date of my appointment indicates no security interests registered against the Company.

4.5 CONTRACTS AND AGREEMENTS

I am not aware of any contracts or agreements at the date of my appointment and unless otherwise indicated, I do not accept adoption of existing contracts. Customers, suppliers, and any other parties with any such contracts should contact Sushma Mandira of this office immediately so that they may be considered.

BRI Ferrier

The purpose of this document is to assist creditors with understanding any relevant relationships that I, the Liquidator, have with parties who are closely connected to Faithful Investment Pty Limited (In Liquidation) (“Company”) and any indemnities or upfront payments that have been provided to me. None of the relationships disclosed in this document are such that my independence is affected.

This information is provided so you have trust and confidence in my independence and, if not, you can ask for further explanation or information and can act to remove and replace me if you wish.

This declaration is made in respect of myself, my partners and BRI Ferrier.

I am a Professional Member of ARITA – Australian Restructuring Insolvency and Turnaround Association. I acknowledge that I am bound by the ARITA Code of Professional Practice.

A. INDEPENDENCE

I, Peter Krejci, of BRI Ferrier have assessed my independence prior to accepting the appointment as Liquidator of the Company in accordance with the law and applicable professional standards and I am not aware of any reasons that would prevent me from accepting this appointment. There are no other known relevant relationships, including personal, business and professional relationships that should be disclosed beyond those I have disclosed in this document.

B. CIRCUMSTANCES OF APPOINTMENT

I. HOW I WAS REFERRED THIS APPOINTMENT

I was appointed Liquidator of the Company by the Supreme Court of NSW on 4 December 2025 on the application brought by Faithful’s shareholder, Wonderful Pty Limited.

On 14 February 2024, I received correspondence from Amanda Davidson from Davidson Legal Consulting Advisory (“**Davidson**”) seeking my consent to act as liquidator of the Company. I provided my Consent to Act as liquidator on 16 February 2024. This consent does not affect my independence as the giving of a consent to act does not result in any duty owed to that creditor that would conflict with my interests or duties under the Corporations Act.

I believe that this referral does not result in a conflict of interest or duty because:

- Referrals from solicitors, business advisors and accountants are commonplace and do not impact my independence in carrying out my duties as liquidator.
- I have not received or paid any benefit to Davidson with respect of these referrals.

There is no expectation, agreement or understanding between me and Davidson regarding the conduct of the Liquidator and I am free to act independently and in accordance with the law and applicable professional standards.

II. DID I MEET WITH THE COMPANY, THE DIRECTORS OR THEIR ADVISERS BEFORE I WAS APPOINTED?

Yes No

Neither I, nor my Firm, have met with the Company, its directors or their advisors prior to my appointment.

C. DECLARATION OF RELATIONSHIPS

Within the previous two years, I, or my firm, have had a relationship with:

Name	Nature of relationship
The Company	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
The Directors	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Any associates of the Company?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
A secured creditor entitled to enforce a security over the whole or substantially the whole of the Company's property?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

Do I have any other relationships that I consider are relevant to creditors assessing my independence?

Yes No

Australian Taxation Office may be a creditor of the Company.

- ▶ The ATO is a sophisticated statutory creditor and is administratively bound to act as a Model Litigant. In my experience the ATO does not seek to exert improper pressure on insolvency practitioners in connection with the discharge of their duties to creditors generally.
- ▶ Principals and Directors of BRI Ferrier around Australia, were, until its expiration at the end of 2014, members of a panel of Official Liquidators established by the ATO and accepted appointments by Australian Courts initiated by the Federal Commissioner. These Official Liquidators had undertaken to the ATO to accept appointments as Liquidator appointed by a Court under the Corporations Act where the ATO is the applicant creditor, whether the company has assets or not. BRI Ferrier is likely to seek inclusion in any comparable panel should one be established in future. Membership of the panel was not conditional upon any preference or benefit being conferred upon the ATO.

In addition to the above, I also note that Principals of BRI Ferrier routinely accept nominations and appointments as insolvency practitioners by the major trading banks, in addition to creditors such as the ATO (as discussed above). The nature of these relationships varies over time depending on the nature of the engagements. Such relationships do not impede my independence or give rise to a conflict of duties because I accept such engagements only on the basis that my independence will be maintained and the relationships are maintained on professional commercial terms.

III. NO OTHER RELEVANT RELATIONSHIPS TO DISCLOSE

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has a valid and enforceable security interest on the whole or substantially whole of the Company's property that should be disclosed.

D. INDEMNITIES AND UP-FRONT PAYMENTS

I have not been indemnified in relation to this administration, other than any indemnities that I may be entitled to under statute and I have not received any up-front payments in respect of my remuneration or disbursements.

Dated: 6 January 2026

NOTE:

- 1. The assessment of independence has been made based on an evaluation of the significance of any threats to independence and in accordance with the requirements of the relevant legislation and professional Standards.*
- 2. If circumstances change, or new information is identified, I am required under the Corporations Act 2001 and ARITA's Code of Professional Practice to update this Declaration and provide a copy to creditors with my next communication as well as table a copy of any replacement declaration at the next meeting of the Company's creditors. For creditors' voluntary liquidations and voluntary administrations, this document and any updated versions of this document are required to be lodged with ASIC.*

ARITA Information Sheet – Creditors Rights in
Liquidation**

Creditor Rights in Liquidations

As a creditor, you have rights to request meetings and information or take certain actions:

If a simplified liquidation process is adopted, these rights are effectively limited to the right to request information.

Right to request a meeting

In liquidations, no meetings of creditors are held automatically. However, creditors with claims of a certain value can request in writing that the liquidator hold a meeting of creditors. The right to request meetings, including in the circumstances described below, is not available if a simplified liquidation process is adopted.

A meeting may be requested in the first 20 business days in a creditors' voluntary liquidation by $\geq 5\%$ of the value of the debts held by known creditors who are not a related entity of the company.

Otherwise, meetings can be requested at any other time or in a court liquidation by:

- $> 10\%$ but $< 25\%$ of the known value of creditors on the condition that those creditors provide security for the cost of holding the meeting
- $\geq 25\%$ of the known value of creditors
- creditors by resolution, or
- a Committee of Inspection (this is a smaller group of creditors elected by, and to represent, all the creditors).

If a request complies with these requirements and is 'reasonable', the liquidator must hold a meeting of creditors as soon as reasonably practicable.

Right to request information

Liquidators will communicate important information with creditors as required in a liquidation. In addition to the initial notice, you should receive, at a minimum, a report within the first three months on the likelihood of a dividend being paid.

Additionally, creditors have the right to request information at any time. A liquidator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the liquidation, and the provision of the information would not cause the liquidator to breach their duties.

A liquidator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the liquidator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

Both meetings and information:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) there is not sufficient available property to comply with the request
- (c) the request is vexatious

Meeting requests only:

- (d) a meeting of creditors dealing with the same matters has been held, or will be held within 15 business days

Information requests only:

- (e) the information requested would be privileged from production in legal proceedings
- (f) disclosure would found an action for breach of confidence
- (g) the information has already been provided
- (h) the information is required to be provided under law within 20 business days of the request

If a request is not reasonable due to (b), (d), (g) or (h) above, the liquidator must comply with the request if the creditor meets the cost of complying with the request.

Otherwise, a liquidator must inform a creditor if their meeting or information request is not reasonable and the reason why.

Right to give directions to liquidator

Creditors, by resolution, may give a liquidator directions in relation to a liquidation. A liquidator must have regard to these directions, but is not required to comply with the directions.

If a liquidator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons. An individual creditor cannot provide a direction to a liquidator.

If a simplified liquidation process is adopted, you may not be able to give directions, because meetings cannot be held to pass a resolution.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a liquidator's remuneration or a cost or expense incurred in a liquidation. This right is not available if a simplified liquidation process is adopted. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the liquidation, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the liquidator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace liquidator

Creditors, by resolution, have the right to remove a liquidator and appoint another registered liquidator. This right is not available if a simplified liquidation process is adopted, because meetings cannot be held.

To replace a liquidator, there are certain requirements that must be complied with:

**For more information, go to www.arita.com.au/creditors.
Specific queries about the liquidation should be directed to the liquidator's office.**

Initial Remuneration Notice**

INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50
Insolvency Practice Rules (Corporations) 70-35

Date: 6 January 2026

Faithful Investment Pty Limited (In Liquidation)
ACN 100 126 092
ATF The Faithful Unit Trust
Trust ABN 28 384 626 642
("Company")

The purpose of the Initial Remuneration Notice is to provide you with information about how my remuneration for undertaking the Liquidation will be set.

A REMUNERATION METHOD

There are four methods for calculation of remuneration that can be used to calculate the remuneration of an Insolvency Practitioner. They are:

- Time-based / hourly rates or "Time Cost"

This is the most common method. It provides for remuneration to be charged at an hourly rate for each person working on the matter. The hourly rate charged will reflect the level of experience each person has.

- Fixed Fee

The total remuneration for the administration is quoted at commencement of the appointment and is the total charge for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.

- Percentage

The remuneration for the appointment is based on a percentage of a particular variable, such as the gross proceeds of asset realisations.

- Contingency

The total remuneration for the matter is structured to be contingent on a particular outcome being achieved.

B METHOD CHOSEN

Given the nature of this administration, I propose that my remuneration be calculated on the time-based / hourly rates method. In my opinion, this is the fairest method for the following reasons:

- I will only be paid for work done, subject to sufficient realisations of the Company's assets.

- It ensures creditors are only charged for work that is performed. My time is recorded and charged in six-minute increments and staff are allocated to duties according to their relevant experience and qualifications.
- I am required to perform a number of tasks which do not relate to the realisation of assets, including responding to creditor enquiries, reporting to the ASIC, and distributing funds in accordance with the provisions of the Corporations Act 2001.

I am unable to advise with certainty the total amount of fees necessary to complete all tasks required in this administration. BRI Ferrier reviews its hourly rates every twelve months. The hourly rates quoted below remain current until further notice. At this time BRI Ferrier may increase the hourly rates charged for work performed past that date. If hourly rates are increased, I will seek approval from creditors.

C EXPLANATION OF HOURLY RATES

The rates applicable are set out in the table below together with a general guide to the qualifications and experience of staff engaged in administration and the role they undertake in the administration. The hourly rates charged encompass the total cost of providing professional services and are not comparable to an hourly wage rate.

Title	Description	Hourly Rate (ex GST) 1 July 25
Appointee / Principal	Senior member of the firm. May be a Registered Liquidator and/or Registered Trustee. A senior accountant with over 10 years' experience who brings specialist skills and experience to the appointment. Leads staff carrying out appointments.	\$750

D ESTIMATE OF COST

I estimate that the Liquidation may cost \$50,000.00 (plus GST) to complete.

The above cost is subject to the following variables, which may have a significant effect on this estimate and that I am unable to determine until I have progressed further in the Liquidation:

- ▶ Information provided to me before appointment about the Company's assets, its liabilities and its trading performance is substantially accurate;
- ▶ The records of the Company are made available in a form permitting examination and investigation;
- ▶ All property of the Company is surrendered to me upon appointment;
- ▶ All relevant officers comply with their statutory duties to provide information about the Company's affairs;
- ▶ The legal matters currently on foot are settled in a short period of time or are stayed permanently; and
- ▶ There is no dispute in respect of any creditor claims.

This estimate is based on the information available to date. Should any of the above circumstances change, I believe that costs will likely increase from my estimate above.

E DISBURSEMENTS

Disbursements are divided into three types:

- ▶ Externally provided professional services - these are recovered at cost. An example of an externally provided service disbursement is legal fees.
- ▶ Externally provided non-professional costs such as travel, accommodation and search fees. These are recovered at cost.
- ▶ Internal disbursements such as photocopying, printing and postage. These disbursements, if charged to the Liquidation, would generally be charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

I am not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, I must be satisfied that these disbursements are appropriate, justified and reasonable.

I am required to obtain creditor's consent for the payment of internal disbursements. Creditors will be asked to approve my internal disbursements prior to these disbursements being paid from the administration.

Details of the basis of recovering disbursements in this administration are provided below.
